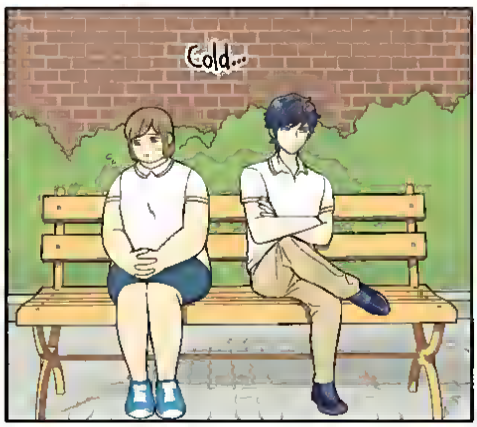
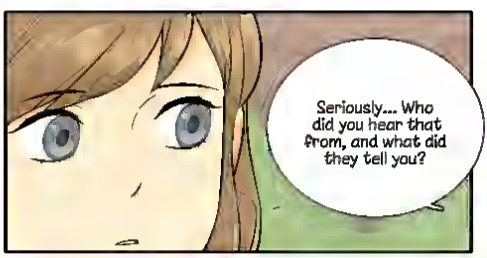
Cherry Boy, That Girl

Chapter 61



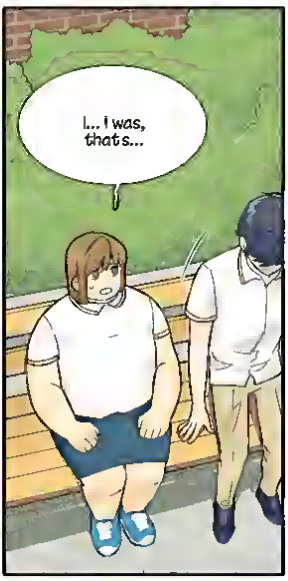
Cold...



Seriously... Who did you hear that from, and what did they tell you?

Did anyone say something to you about my ex?
It's not like that...
Lets say my ex is someone you know, so what?

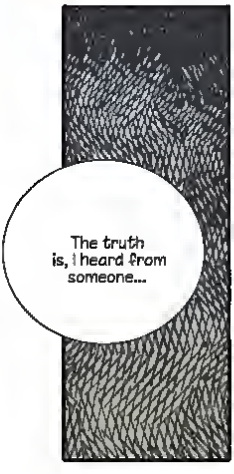
Did I lie about you not being my first girlfriend?
You're being ridiculous.



I... I was, that's...

I don't know why you're being like this but
If it was you misunderstanding, shouldn't you at least apologize?

If you don't have anything more to say, I'm leaving.
W-wait...



The truth is, I heard from someone...

Is Berry your ex-girlfriend?

I'm not being like this because I suspect you or because I have other intentions.
I'll believe whatever you say, so tell me.
It's Berry, right?

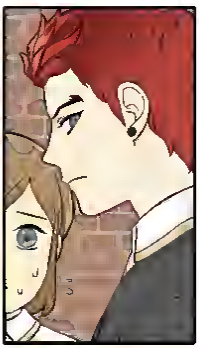
If you're that curious, fine, you...

I must have got here a little early?

You're here already?
...Hey,
Sage, did you call him?
Yeah, I didn't know he'd come so quickly...

I can't stay still when an underclassman says she has something on her mind-

SFX: Ha!
Thank you Oppa.
Well then, should we have something to eat while we talk?

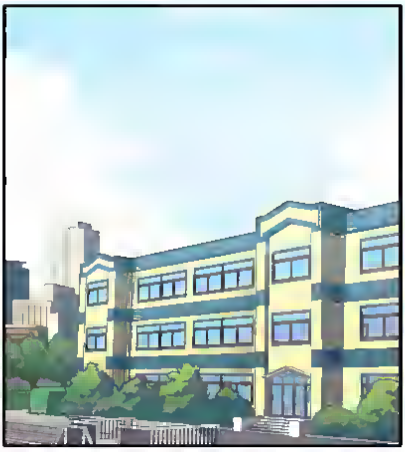


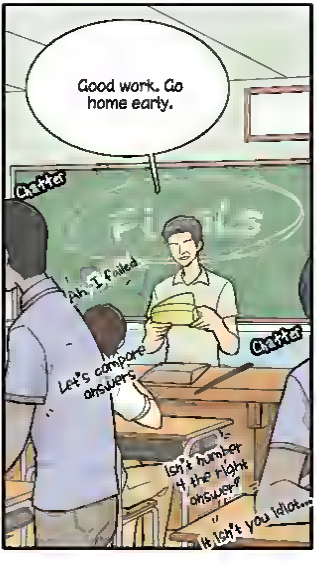
Kid, smile more.
Stretch
RAT AH OU DOING?! (WHAT ARE YOU DOING?!)

Whisper
Sage is feeling insecure.
Whisper
Smile.

Okay, let's go.
Do you like fried chicken?
One bird per person, deal?
Yeah, I like it.
Hehehe

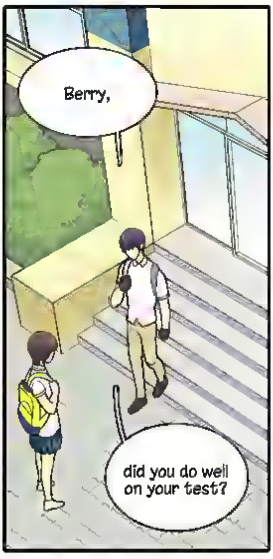
Glare





Good work. Go home early.
Chatter
Ah... I failed
Let's compare answers
Chatter
Isn't number 4 the right answer?
It isn't you idiot...

Sigh...



Berry,
did you do well on your test?

I wonder...
The black stuff is the letters and the white stuff is the paper... probably.
Hmhm...

That aside, are you done getting ready to go?
America...

You don't seem to mind even when I'm going somewhere really far.

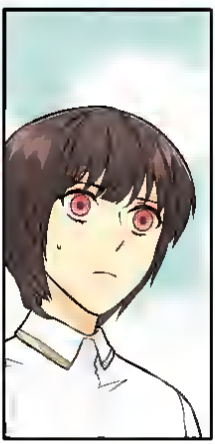
Huh?
You just seem so relaxed about it.

SFX: THROW

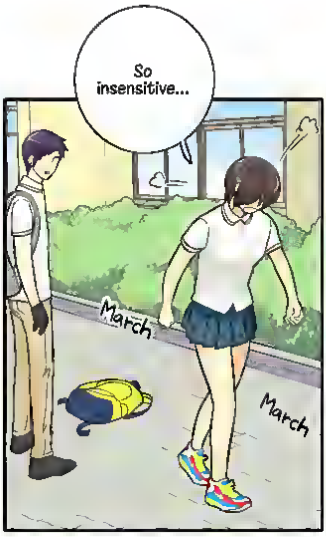
When did I say I was fine?!
I was acting like I was ok!
I DON'T LIKE THAT YOU ARE GOING!

You don t...? Really?
Yeah!
But if I tell you not to go, are you going to stay?

!



Tha... That's
not something I can decide by myself...
Wah
I knew it, are you teasing me?



So insensitive...
March
March

...

If that's the case... do you want to go with me?

Gasp

Me? I... I don't even have a what's it called, a passport and...
Really?
I don't even think my parents would let me but... um the thing is...
A-are you serious?

Surprised
Push

Didn't I just ask you?

Clutch

Uh, wait.
Isn't that Cinnamon Kwon over there?

You're right? Why is he here?

Why are those two together?

CHILI PASTE HAIR, GET AWAY FROM MANDARIN KIM!
Whoa there, aren't I a year older than you?
Call me Sunbae!
WHY SHOULD I, WHEN THIS ISN'T EVEN MY SCHOOL?!

Good point. But why are you here being nosy when this isn't even your school?
I heard you went to a prestigious school, but to be here now I guess you must have cut class, because you're a delinquent.

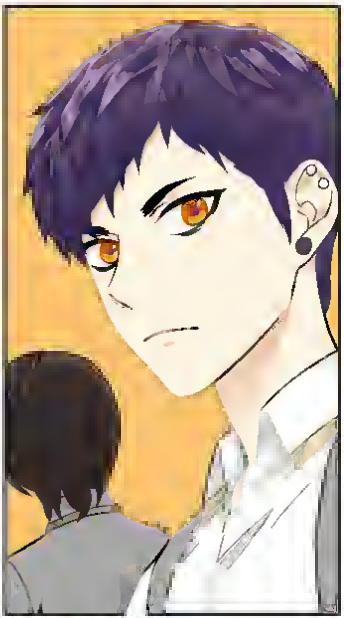
I'll be going after I talk with Hyung for a little, so go ahead of me.
Ok.



Turn

I'm leaving too.
Oh, I'll go too!

Me...
Hyung, wait.

What are you doing?
You're getting yourself involved with someone weird. You're better off avoiding him.
Please don't get involved in things you can't take responsibility for.

Flick!!

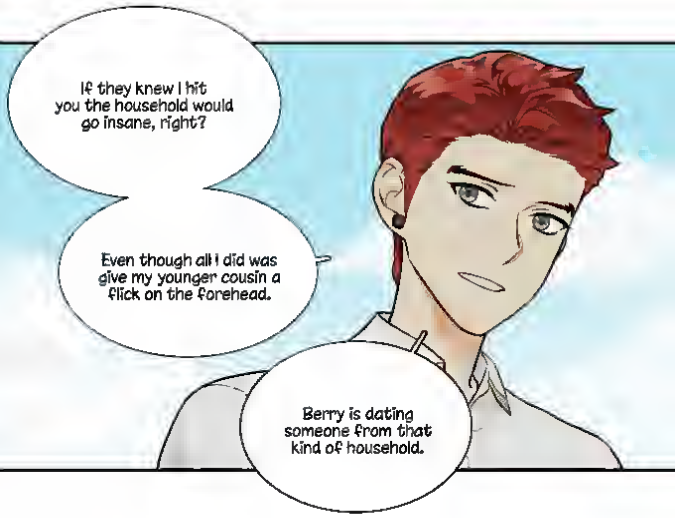
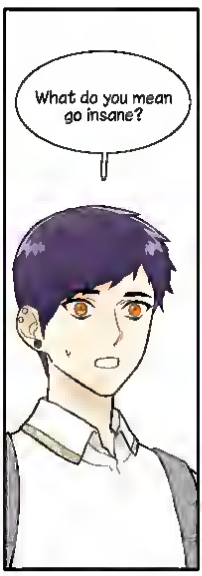
Wh-why!
Chuckle
A loving punishment.
For defying your Hyung.

Don't worry about me and Just take care of Berry.

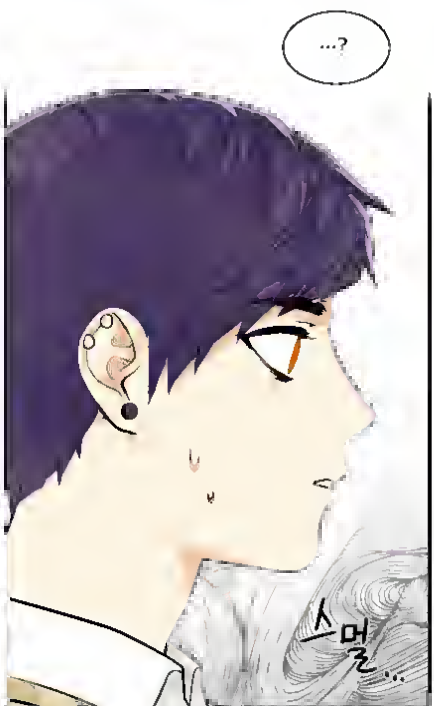


If they knew I hit you the household would go insane, right?
Even though all I did was give my younger cousin a flick on the forehead.
Berry is dating someone from that kind of household.



What do you mean go insane?

What does that mean...?
It's fine if you don't know, I'll be going. Don't wait up~
Hyung!



...?

SFX: Creep

Why is Hyung talking about things like that?
Does that mean our family was putting some sort of pressure on him?
Why haven't I noticed something? No, I didn't even imagine it.

Then even to Berry...

No, that's not it. Berry has never shown signs of that.
That hasn't happened, at least not yet

The priority is to check Hyung's story.

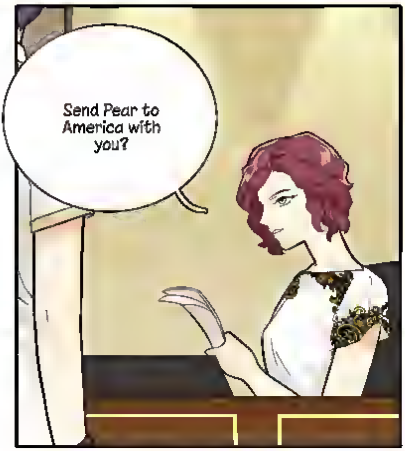
Maybe after that I will be able to understand the situation

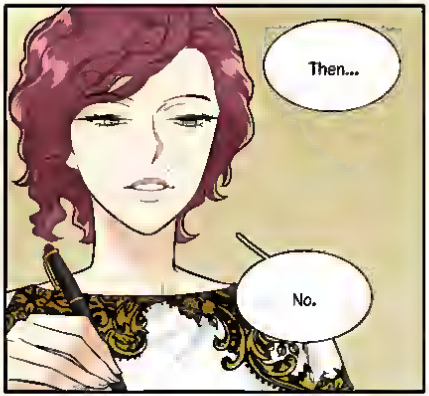
Director of the Board



Send Pear to America with you?

Why so suddenly?
Are you saying you don't want to tell me the reason?

Well, that's fine. At your age it's normal to have things you can't tell your parents about.



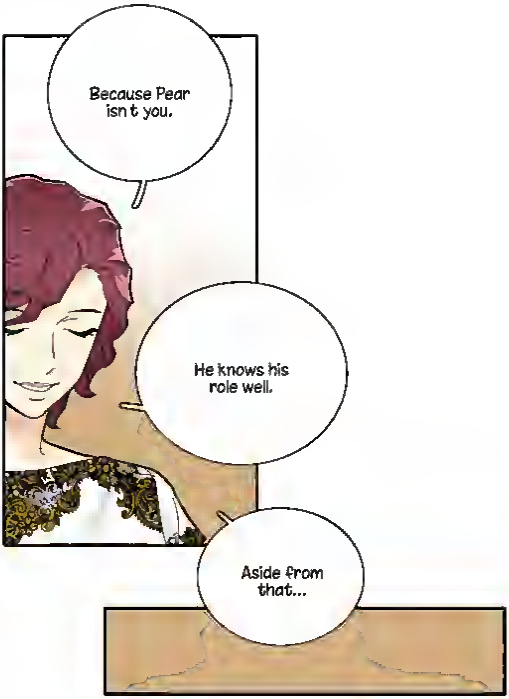
Why? You said you were uncomfortable sending me alone.

That's why I'm going to hire someone to go with you.

I'm more comfortable with Pear-hyung.

Pear won't go. He likes it here.

I can't understand. Is there something between you two that I don't know?
Why do you give Pear-hyung so much freedom, when there is no end to the things you request from me?



Because Pear isn't you.
He knows his role well.
Aside from that...

I can't understand why you want to bring Pear with you to America.
Don't you want to take your girlfriend?

Cherry Boy, That Girl

Season 3 Epilogue

Hello, this is South Ant.

Yes, as the notice said, this is the Season 3 epilogue.

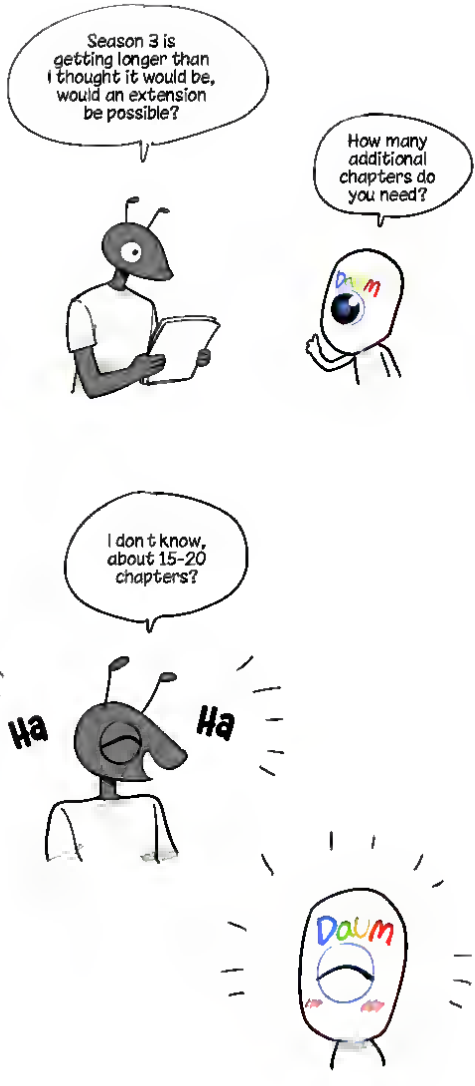
I'm sorry for the sudden surprise.

In the last season epilogue...

<Cherry Boy, That Girl> is thinking of ending after Season 3 so I've finally gotten to starting the last season.

Thank you till the end.

...Or so I said, but



Season 3 is getting longer than I thought it would be, would an extension be possible?
How many additional chapters do you need?
I don't know, about 15-20 chapters?
Ha
Ha
DAUM

Daum has a policy to make publishing contracts in seasonal increments. Making it difficult to extend too many chapters. There has been a final agreement to complete Season 3 in the middle and pick it up again in Season 4.

After one week of rest, Season 4 Chapter 1 (=Chapter 64) will start 12/18 without a preview.

And though I mentioned it before,

The tankōbon is coming out.

Heart shocking and heart pounding fun! Sweet fun! The love story starts.

Cherry Boy, That Girl 1

Tankobon pre-order!
From 12.26-22.9

Best chance to get ahold of Sausage Fest High School of Engineering's best hotties!

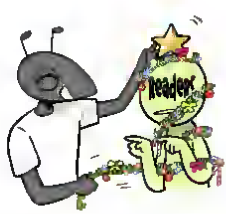
As a special first printing gift, one random paper toy will be included in the book.

Pre-order ends 12/9, tankōbon will be available in bookstores starting the 10th.

Please don't miss the paper toy that is given out as a gift for the special first print.

As we approach the holidays, I hope your days are filled with nothing but happiness.
What are you doing during the holidays?
It's nearly Christmas.
Readers

I will be finishing my work on the series on Christmas Eve.



Please read the chapter as soon as possible.

I'll be in your care from now on as well.

Cherry Boy, That Girl

Chapter 63

You haven't been dating for very long, so don't you want to stay together?
Ok-Kyung Han
Director of the Board

To tell you the truth if the situation was different... We could never allow this relationship but,
because of your unique condition... You understand what I mean, right?
We are making a special exception.

Please be honest with me.
Are you hoping that if we go together we will stay in America?
Oh dear, what are you saying? You must return when the break is over.

Or in 5 years...? It's fine if you take a little longer.
Thank you for thinking about me, but I'm fine.

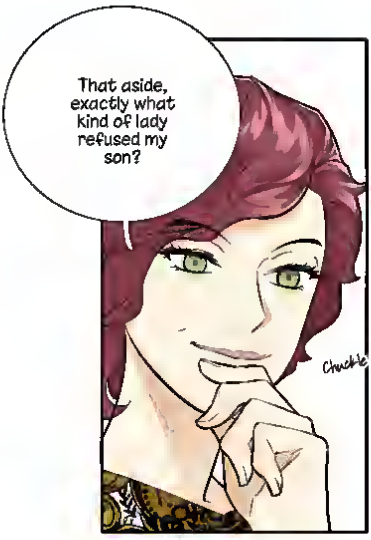
She has her own life too.
Hmm?
I'll be taking my leave.

Oh? Did you already ask her, but she refused?

Dear, dear, me...
Oh my, I'm right aren't I?

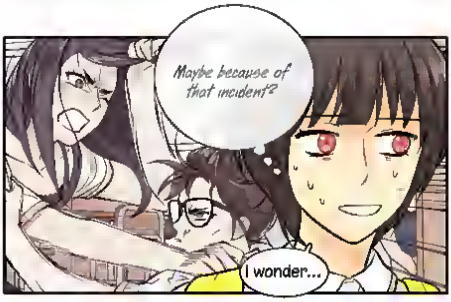
SLAM!!

Haa, I wonder where he got that stoicism from
He has no tact whatsoever...



That aside, exactly what kind of lady refused my son?
Chuckle

I'm getting more curious about what kind of girl she is.



Maybe because of that incident?
I wonder...

Anyway, why does chili paste hair keep getting close to Darin?
I have no idea.

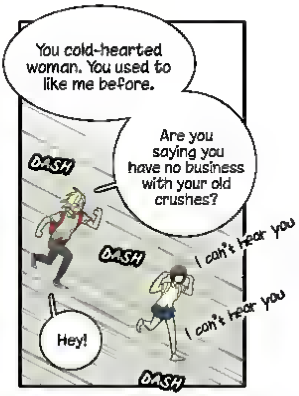
I don't like it.
삐죽

SFX: Pout

What?

WHY IS A GUY WHO'S FAMOUS FOR FLIRTING WITH ANYTHING THAT MOVES HANGING AROUND OARIN LIKE HE BELONGS THERE?!
You being jealous of that is even weirder.
ROAR
WHAT, ARE YOU TAKING PEAR KANG'S SIDE BECAUSE YOU'RE HIS FRIEND?

YEAH!
YOU CAN GO TALK TO PEAR HANG AND TELL HIM TO GET AWAY FROM DARIN!
NO! WHY SHOULD I?!



You cold-hearted woman. You used to like me before.
Are you saying you have no business with your old crushes?
DASH
DASH
I can't hear you
I can't hear you
Hey!
DASH

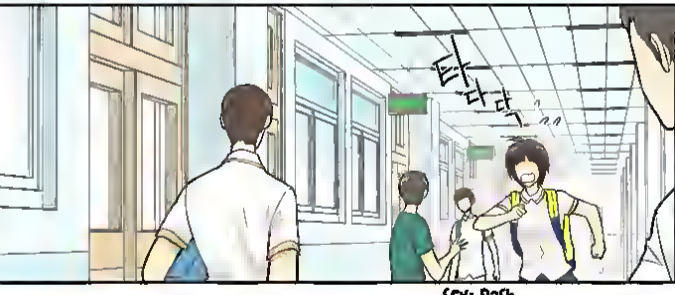
Tch.

Then how about this.
Lime Moon is in your class, right?
Do you want to know her secret?
Deol?
Thump
I can't hear you, I ca...
Hmm?

WHAT SECRET?! NO, BEFORE THAT, HOW DO YOU KNOW SUCH...
Exactly who do you think I am? I am Cinnamon Kwon Emperor of social networking!
Like
I stalk everyone who said they went to the same middle school as us.
CHERRY ASKED YOU TO DO SOMETHING LIKE THAT? WHAT FOR?
haha
I don't know. It's probably to torment Lime Moon.

The chaos should have started by now..
I need to go.

She disappeared!



SFX: Dash

Eek, Lime is with her
Does that mean they already..?

Ah~ This is boring.
You are so venomous.

How do you keep such a straight face?

.....
What did she say that made her so...?
The great Ling Moon is...
SFX: Gasp

Did she said it so that all our classmates could hear?
Whispers

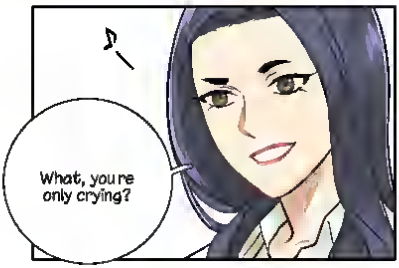
SFX: TURN



What, you're only crying?

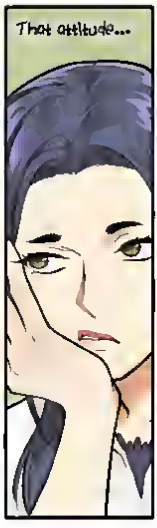
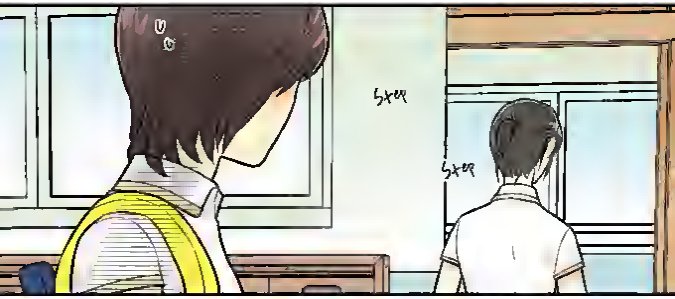
Ah, I don't like this.
I'm going to go crazy.

SFX: Slap!!



That attitude...

I DON'T LIKE YOU!!



Step

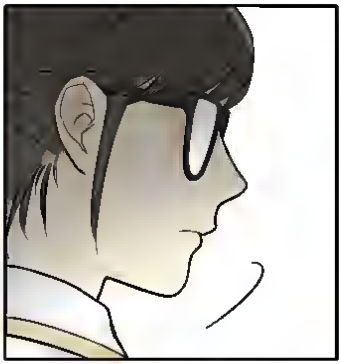
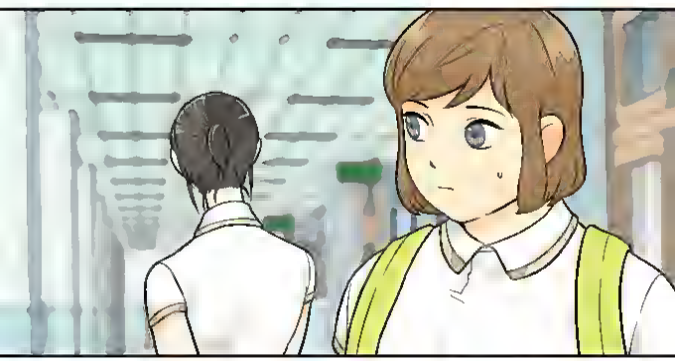
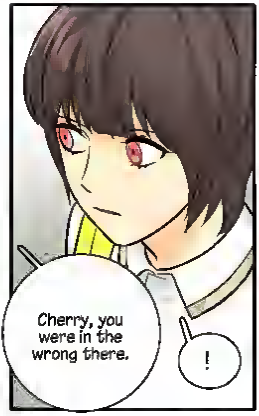
Meet





Exactly what did you talk about?
I don't know~
Don't avoid the question, tell me.



Cherry, you were in the wrong there.
!

We understand that you and Lime Moon had a fight but,
what are you doing, barging into our classroom?
Isn't publicly broadcasting their private life too much?
He's right.

Shut up.
This is girl business.
Hmph
Geez, Just because I said something so insignificant.

What were you talking about?
I told you before that I knew Lime's younger sister.
Her name is La-Min Moon and she's really popular, but there was always a rumor following her.
That she has a dowdy older twin sister.
Dowdy, that's harsh...
So that's Lime?
Well I heard the details from someone else.

That the twin sister nearly got buried alive after she tried to seduce someone La-Min was dating.
Apparently La-Min caught her and it ended with the silent treatment.
It's just that kind of story. Isn't it funny?
How is that funny?
Anything involving relationships is super sensitive.
Plus that's not even something you should be openly talking about.

You should apologize to Lime the next time you see her.
Ah, i don't want to. who are you to tell me what to do?
...

Ding-dong~
Yes, coming.

SFX: Creak
Hi!
Surprised

What are you doing here at this time of night...?
You didn t even tell me you were coming...

I have something to tell you...
Is it really something you have to tell me like this?

I'm sorry, but let's talk tomorrow.
Wait!

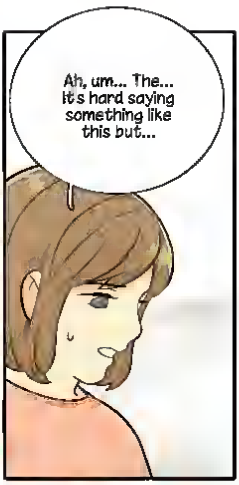
It'll just be a second so wait a moment...

Ugh, heavy.
Is it about my ex-girlfriend again?
It's not like that...

Then what...
Hey, what are you doing? Help me move this.

?

A girl...?
Who's inside?
Ah haha
It must be my neighbor!



Ah, um... The... It's hard saying something like this but...

I think it would be better if we stopped going out.
!!
Hey!

What are you...?
HEY!!!

Oh, Sage? I was wandering what was keeping Darin.

SFX: Sigh

But wait...

What is this about?
It should be obvious.

!
...You guys are going out?

Well, not anymore.
Cherry why are you here?
I had something I left here.
You guys just broke up?

Sage said it was over, so I guess so.
What do you mean by that?

I guess both of you have everything you needed, right?
Bye.

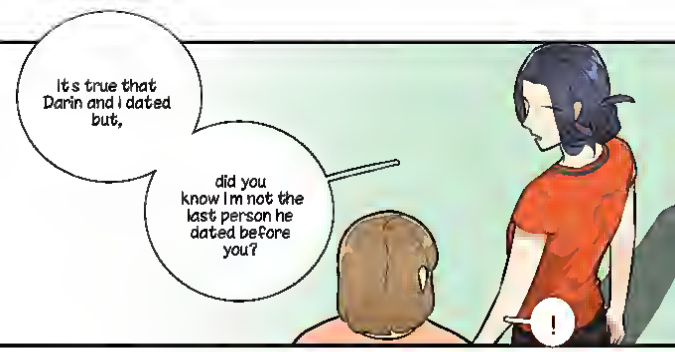
I'll send it to you.

SFX: Slam

Not to be rude or anything, but... Are you Darin's ex?
Why?
It's nothing. I thought it was someone else...

You still had stuff at Darin's house? I guess you two are still pretty close...?
I wonder...



It's true that Darin and I dated but,
did you know I'm not the last person he dated before you?

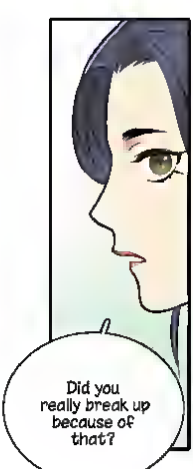
You know her too...
I know...



Did you really break up because of that?

That was part of it too, but...
It didn't seem as though he liked me very much either.
You're smart.
You had the right idea.
That kid is probably still so obsessed with Berry that he can't see anything else.
It's a good thing you broke up.
He was just using you to catch Berry's attention.

I introduced myself because she started talking to me.

So? Did my mother say anything?
Yeah, but...

She gave me money.
WHAT?! LET ME SEE!

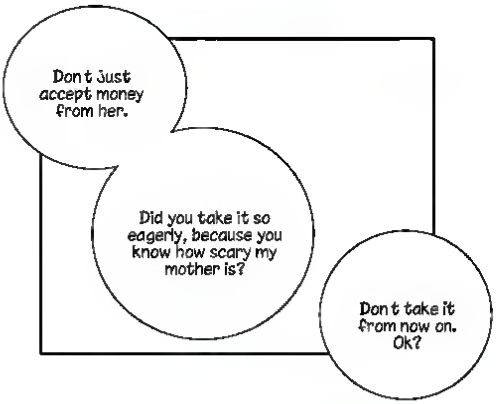
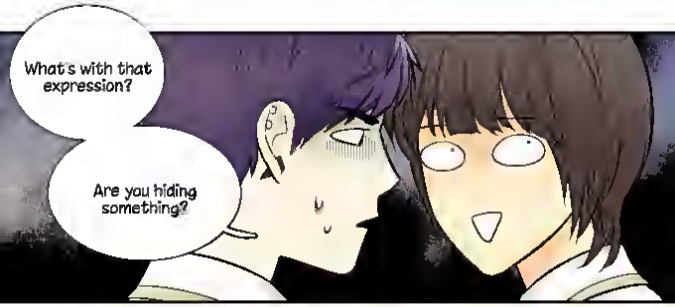
It's still a lot, but it's in allowance range.
Use it well.
You act pretty frugal for an upper-class rich kid, aren't you?
Don't mope.
You should be glad you got this much.



Don't just accept money from her.
Did you take it so eagerly, because you know how scary my mother is?
Don't take it from now on. Ok?



What's with that expression?
Are you hiding something?

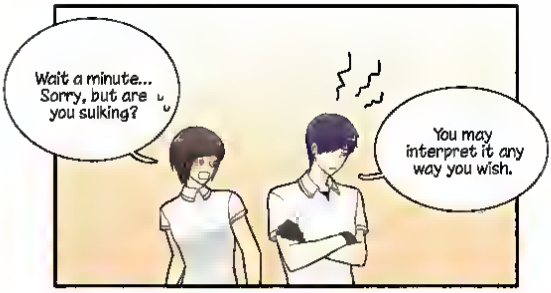
You want everything else, but not to go together...
I guess you feel like it's a burden.



Wait a minute... Sorry, but are you sulking?
You may interpret it any way you wish.

You're not mad, right...? Let's not fight about something like this.
You're coming back in two months anyway.
...It could take longer.

My family wants me to study there for a long time.

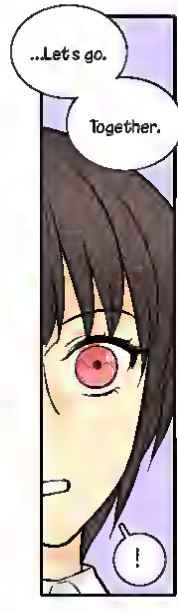
My family wants me to study there for a long time.
At the moment they are saying it's only during the break, but it might get harder to come back once I go.
That's why...



Cherry Boy, That Girl

Chapter 65

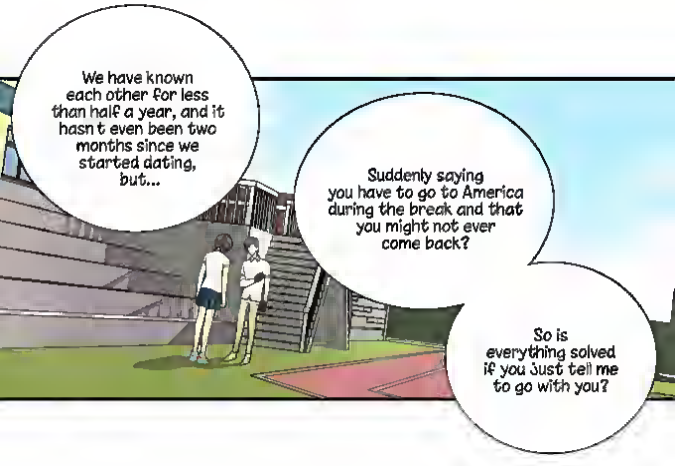
You probably don't have any plans yet so it'll be good if you go.
You don't have to worry about the money.
If it's for things like this, you can take it.

Follow me.
Come with me.

툭!

SFX: Chop

Why... why?!
You... Do you take me seriously?



We have known each other for less than half a year, and it hasn't even been two months since we started dating, but...
Suddenly saying you have to go to America during the break and that you might not ever come back?
So is everything solved if you just tell me to go with you?

For you, studying abraad is obviously great. Youre smart and youre gaad at English taa.
But what about me? I haven t been planning for something like this, literally all the English i knaw is "Hi".

Even if I went there, what would someone like me be able ta da?

That's...

You can study English there and I can translate for you...
So you're asking me to follow you around and live like I'm mute?

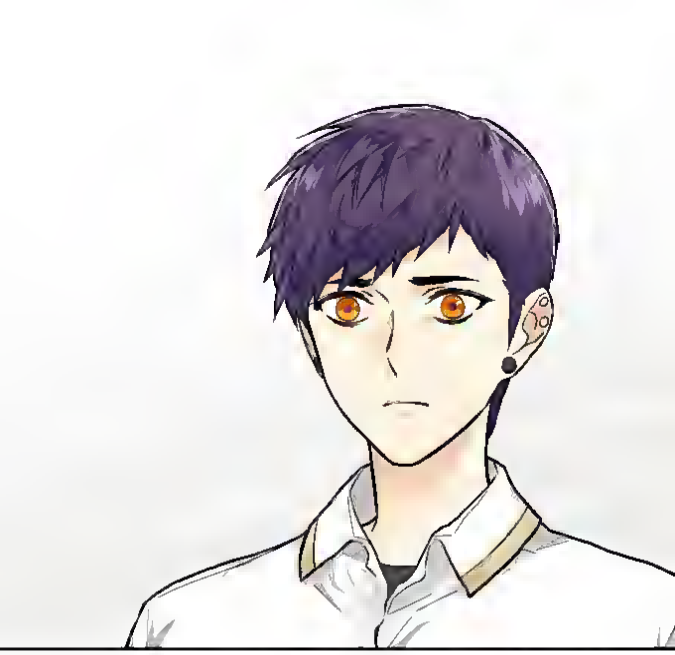
Even here, I'm not good at anything and I don't know what I want to do with my life.
How do you expect me to go somewhere so far away with no purpose and just depend on you?
And what would I do about my parents.

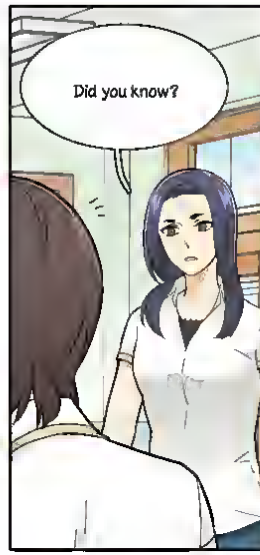
Just because it's easy for you, it doesn't mean it's easy for me too.

I'm sorry I lashed out like that.

You leave in 2 days, right?
Ah, yeah.
I'll see you off.

Bye.





Did you know?

About what?
Thot Sage's boyfriend was Dorin!
... ...

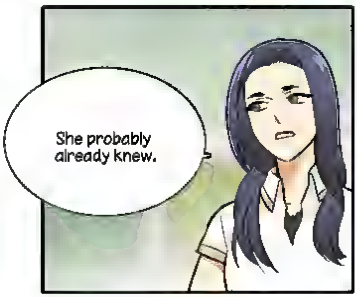
How could you keep that from me?
Nothing good would come of it...
I got stuck between them while they were breaking up without even knowing.
They split up?
Mandorin Kim got dumped!
SFX: Choke x2

Dorin got dumped? Why?
I wouldn't know. Isn't this the obvious outcome?

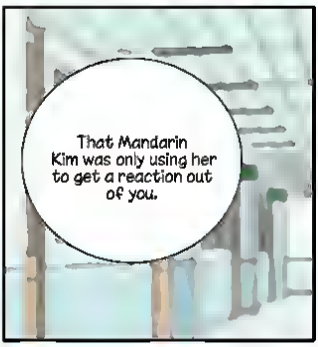
I'm going to go talk with Sage.
Wouldn't it be better for you to give her space?
You might as well lay low.

I should go and comfort her at times like this, what are you talking...
...?

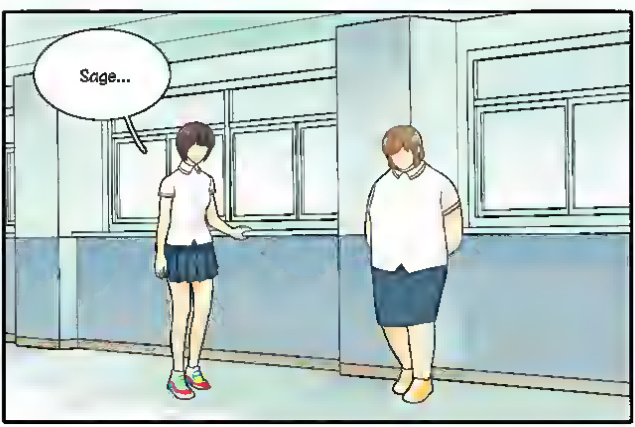
Wait.
Why should I lay low?
I told her about him.



She probably already knew.

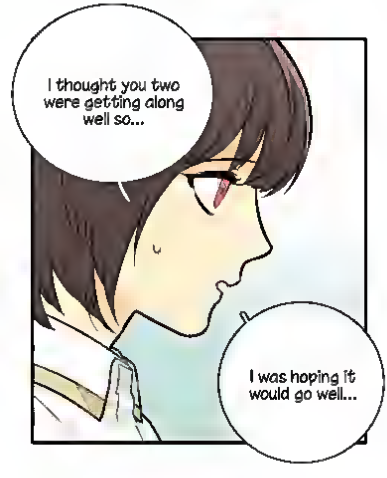


That Mandarin Kim was only using her to get a reaction out of you.



Sage...

Um, the thing is... I heard from Cherry.
I'm sorry, I wasn't trying to hide it from you...
It's just that it has been a while since it ended, and it was a messy breakup.

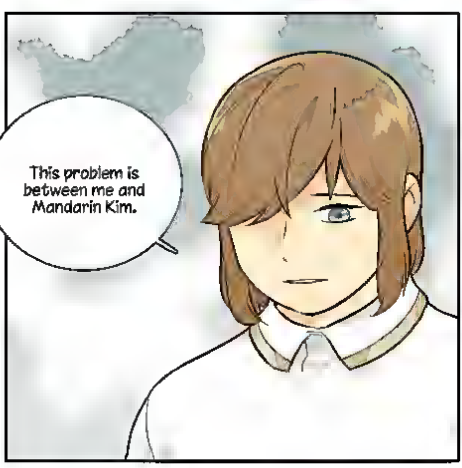


I thought you two were getting along well so...
I was hoping it would go well...

I thought it would be better if you didn't know that we dated.

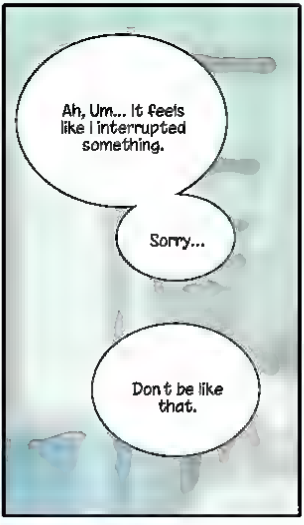
I promise I wasn't trying to hide it from you on purpose.
I'm sorry...
It's ok.

Don't worry about it.



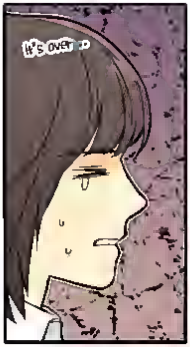
This problem is between me and Mandarin Kim.

There's nothing for you to be sorry about.



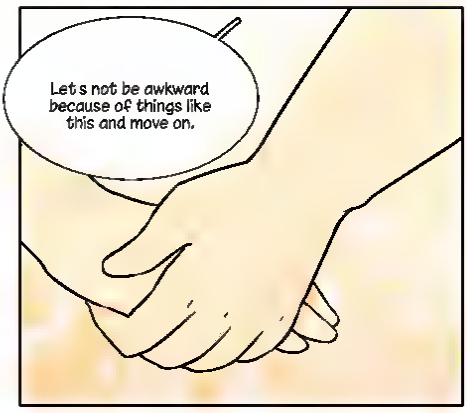
Ah, Um... It feels like I interrupted something.
Sorry...
Don't be like that.

If you do that, I'd be burdened.
!

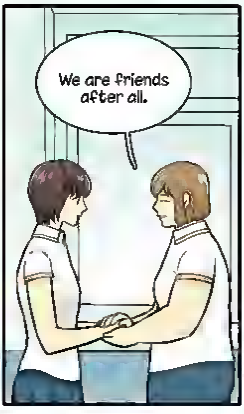


It's over :D

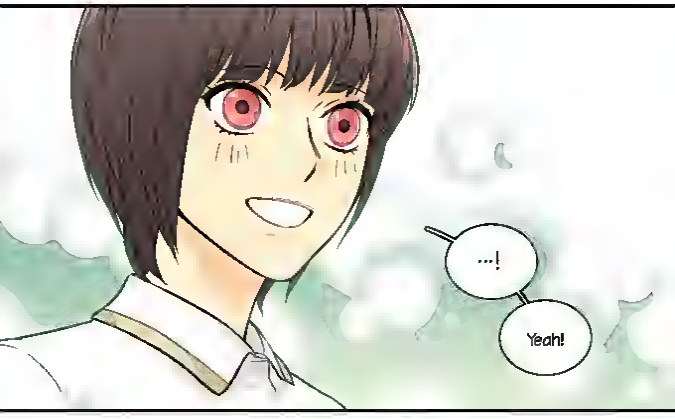
I-is all this making you feel uncomfortable?
Would you tell me? If it is...
Berry.



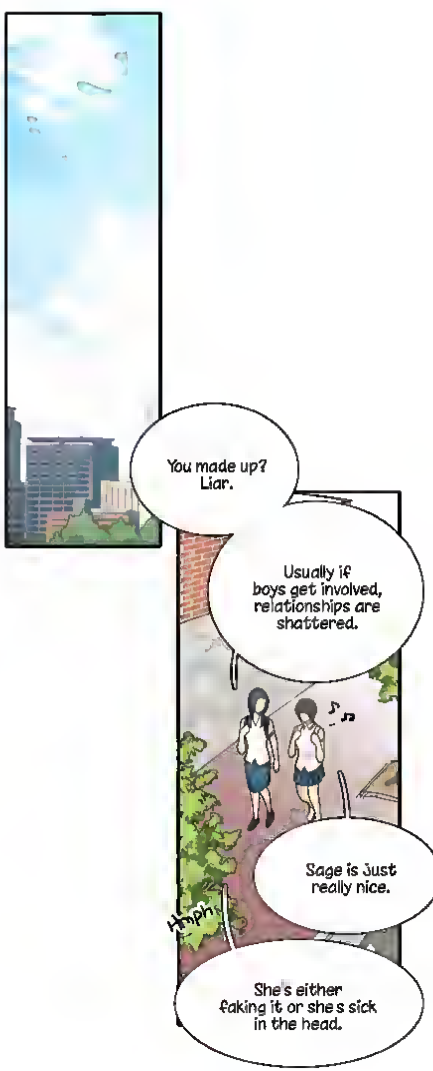
Let's not be awkward because of things like this and move on.



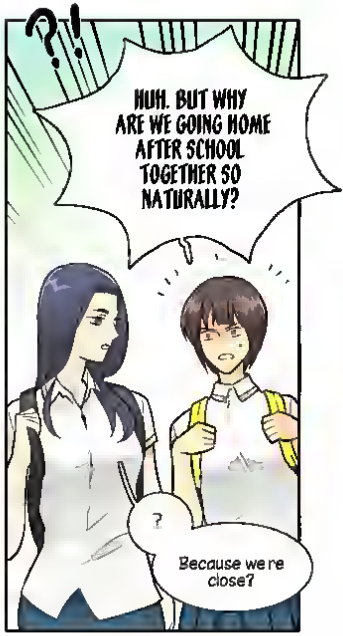
We are friends after all.



...!
Yeah!

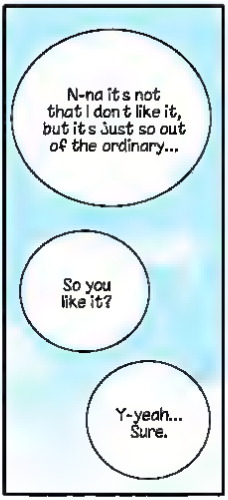


You made up? Liar.
Usually if boys get involved, relationships are shattered.
Sage is just really nice.
Hmph
She's either faking it or she's sick in the head.

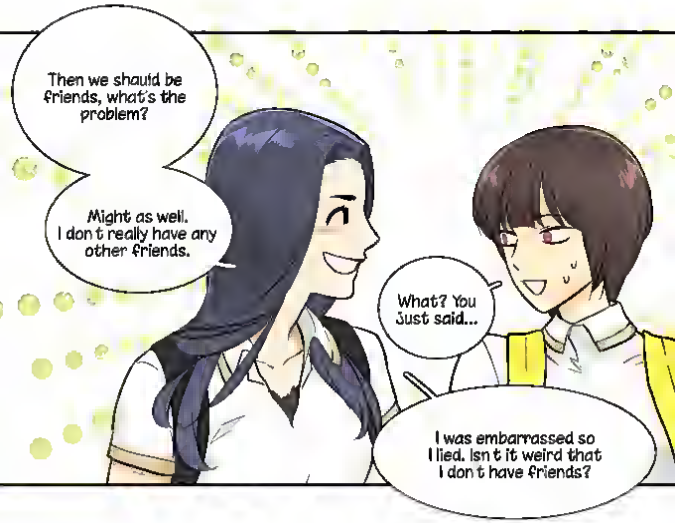


?!
HUH. BUT WHY ARE WE GOING HOME AFTER SCHOOL TOGETHER SO NATURALLY?
?
Because we're close?

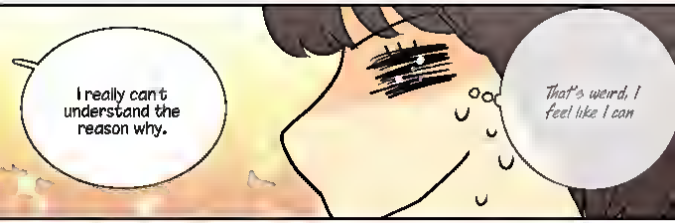
#@%&*~~!@#$%
!@#^&*$~~?!!!
What?
If you don't like it, don't hang out with me.
I have lots of friends besides you.



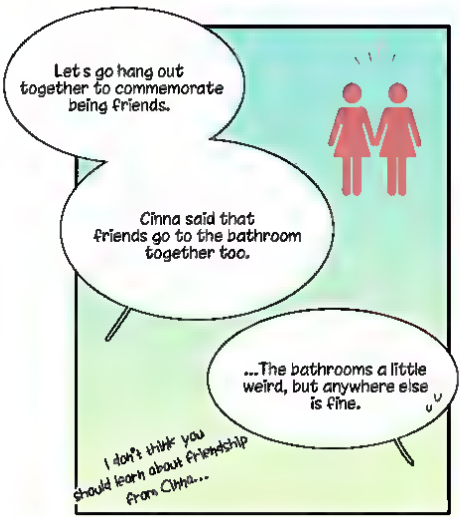
N-na it's not that I don't like it, but it's just so out of the ordinary...
So you like it?
Y-yeah... Sure.



Then we should be friends, what's the problem?
Might as well. I don't really have any other friends.
What? You just said...
I was embarrassed so I lied. Isn't it weird that I don't have friends?

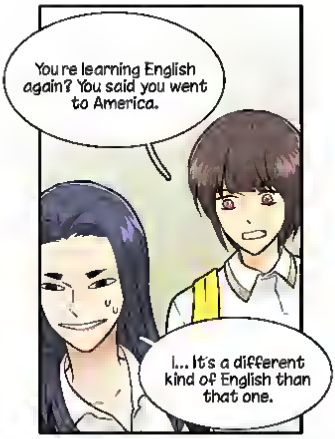


I really can't understand the reason why.
That's weird, I feel like I can

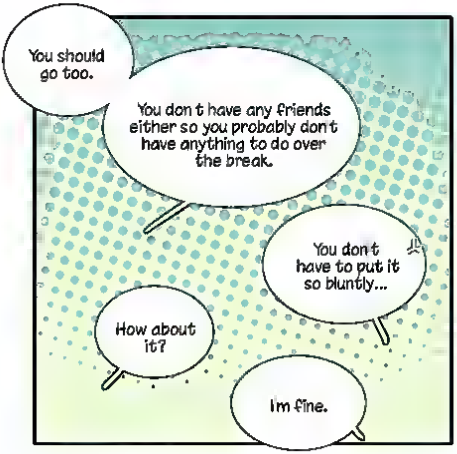


Let's go hang out together to commemorate being friends.
Cinna said that friends go to the bathroom together too.
...The bathrooms a little weird, but anywhere else is fine.
I don't think you should learn about friendship from Cinna...

How about the academy?
There should be special lectures now that it's break.
I was thinking of learning English.



You're learning English again? You said you went to America.
I... It's a different kind of English than that one.



You should go too.
You don't have any friends either so you probably don't have anything to do over the break.
You don't have to put it so bluntly...
How about it?
I'm fine.

I haven t really been thinking about going to college...

You're still young.
Even though it's not reolly useful right now, isn t it good to leorn onyways?
Think of it as opening doors for the future.

I-I don t think I will...
Hey Berry let s go~!

You aren't going to sign up with me?

In an age of globalization like this, you need to know English.
Going by myself will be boring.
No, I'm...
What do you hate so much about it?
She's getting mugged...
Hey, hey, don't look at them
OOOH

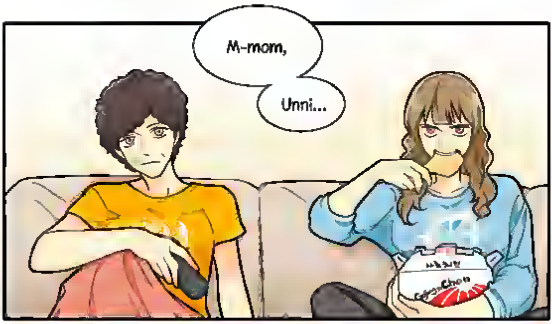
For someone who isn't familiar with it, it's a waste of money to try and learn.
It only goes well for kids who know more.

Step back

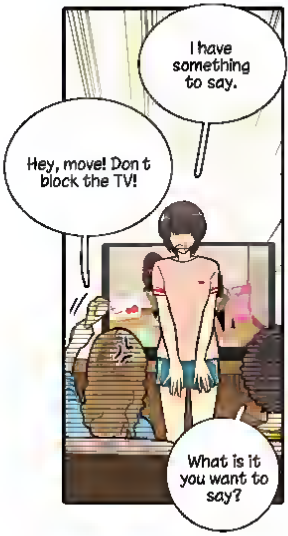
What are you talking about? The reason you learn is that you aren't good at it.

I didn't think of you that way, but you have no motivation whatsoever.
Don't you have any self-confidence?!

Tantrum
Wow extreme disappointment Seriously Go away Loser Booo
Tantrum



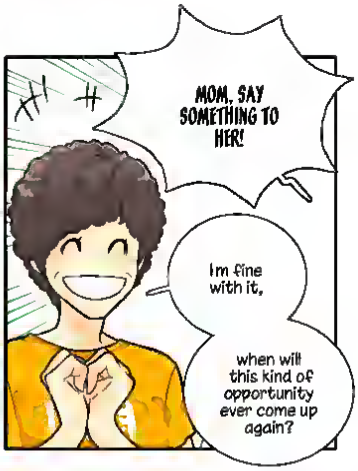
M-mom,
Unni...



I have something to say.
Hey, move! Don t block the TV!
What is it you want to say?

The truth is...

WHAT?!
YOU CRAZY...
ARE YOU SERIOUS?! GET YOUR HEAD TOGETHER!
SLAP
I THOUGHT ABOUT IT A LOT TOO...



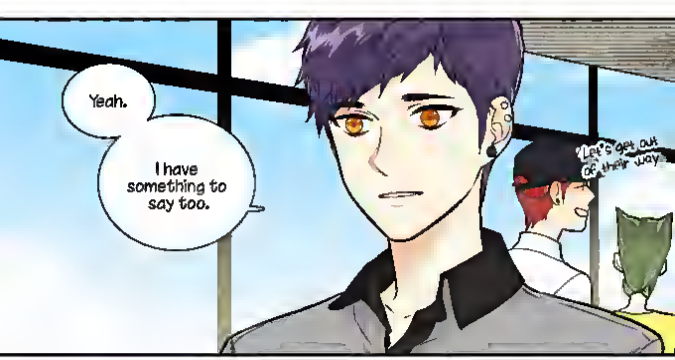
MOM, SAY SOMETHING TO HER!
I'm fine with it,
when will this kind of opportunity ever come up again?

Mom, do you think something like this is even possible? It's a scam, a scam!
Argue
Even so, when does this kind of opportunity ever come up?
Argue

김포국제공항 GImpo International Airport

Berry.

Wait...
Do you have time to talk?



Yeah.
I have something to say too.
Let's get out of their way.

....
....
So...

Hm?
Do you want to go first?
No Im...
...you go first.

Okay...
...The thing is

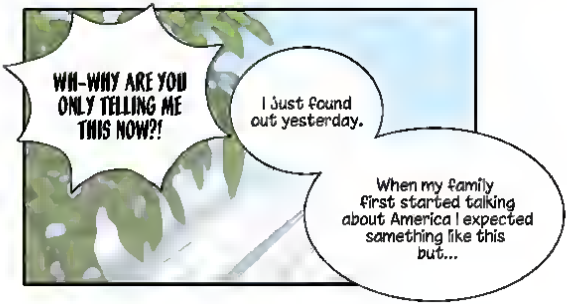
I have been thinking about what you said before...

I'll go with you.
I want to go.
I can't go immediately but...
For now I've told my family.
....

Adjusting so I can go with you is something I need time to work on so...
I'll get the confidence to go with you...
No.

You should stay here.
...Why?

Didn't you say you might not ever be able ta come back?
Did your mom say you could return soon?
No matter when I get back from America... I can't return to Sausage Fest.
They have already written me off as dropping out.
What?

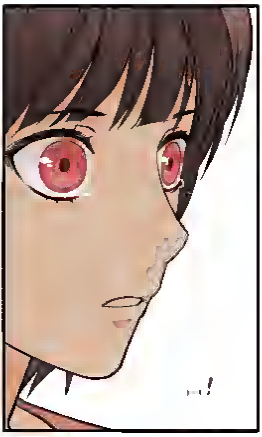


WH-WHY ARE YOU ONLY TELLING ME THIS NOW?!
I just found out yesterday.
When my family first started talking about America I expected samething like this but...

I was weaker and more powerless than I thought...

That's why you have to do what you want.

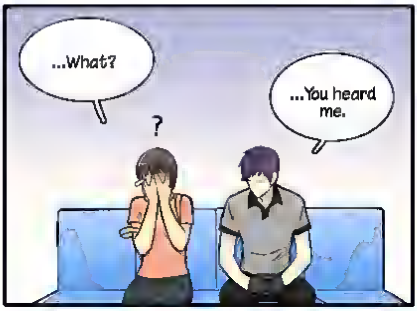
Sorry for giving you such a shock.



...!

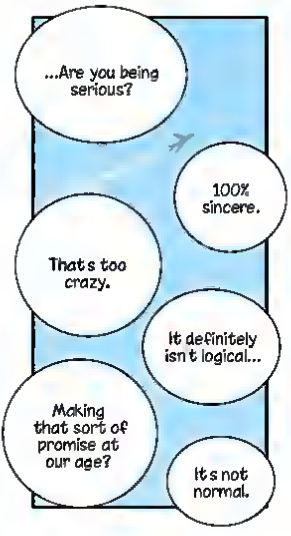
Then what... What do you mean do what I want?
Are you breaking up with me like this?
Like this...

Marry me.

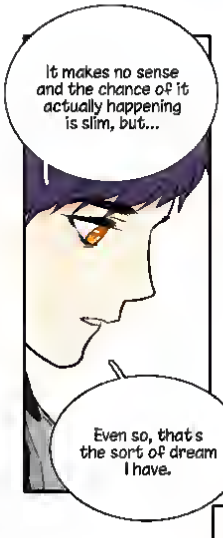


...What?
?
...You heard me.

We're only in high school, you need to be at least 18 to get married!
I don't mean right now.
I mean once we graduate.



...Are you being serious?
100% sincere.
That's too crazy.
It definitely isn't logical...
Making that sort of promise at our age?
It's not normal.



It makes no sense and the chance of it actually happening is slim, but...
Even so, that's the sort of dream I have.

So, I wanted to tell you about it before I left.

Is that... true?
Walnut Kang went to America?

Tremble
Tremble

Hey, Darin?
What's wrong? Are you okay?

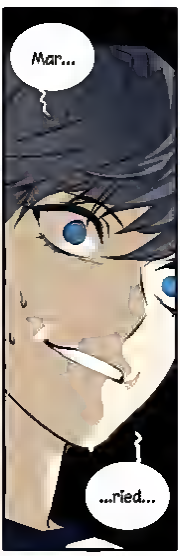
HOORAY!!

SFX: Jump!!

HOOHOOHOOHOO HAHAHAHA.
THAT'S WHAT YOU WANTED TO TELL ME?
Bounce
Bounce
YOU'RE MORE USEFUL THAN I THOUGHT!

Don't get your hopes up.

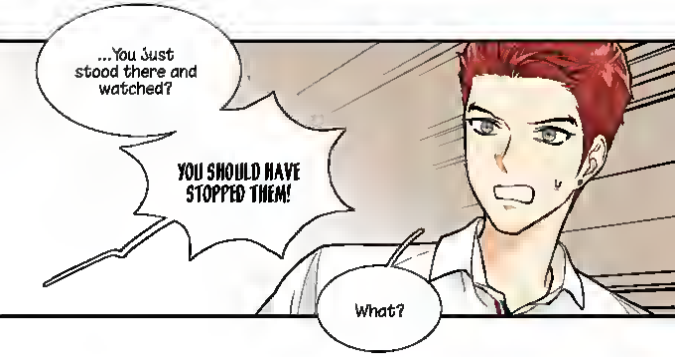
Apparently before he left they made a promise.
That they would get married after they graduate.



Mar...
...ried...

I admit I went overboard, but... uh...
ARE YOU... GOING TO MARRY STRAWBERRY SHIN?
...
Who thinks about things like that at this age...?

Ha
Bastard...



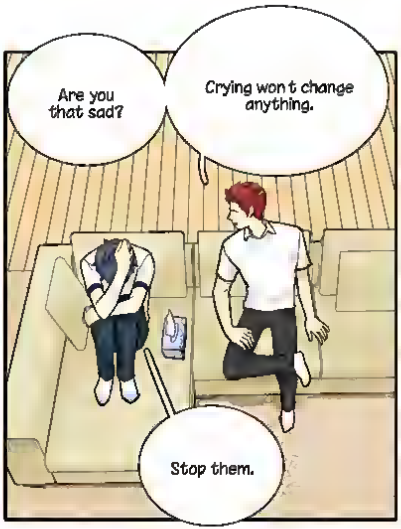
...You just stood there and watched?
YOU SHOULD HAVE STOPPED THEM!
What?

Who do you think I am, their parents? Why should I butt into other peoples' relationships?
THEY'RE KIDS! THEY'RE JUST BEING CHILDISH.
Is he saying he isn't?
If that's true then they won't keep it.

Besides that, why are you acting like this? You should focus on your own relationship problems.
I heard you got dumped?
STUFF LIKE THAT DOESN'T MATTER!
Stuff like that...? I pity Sage.

Grow up. Walnut and Berry are doing well. Isn't it time to give up?
Stop being stubborn and let her go like a man.

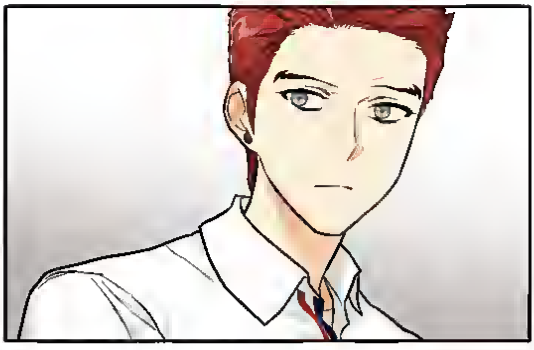
Sniff

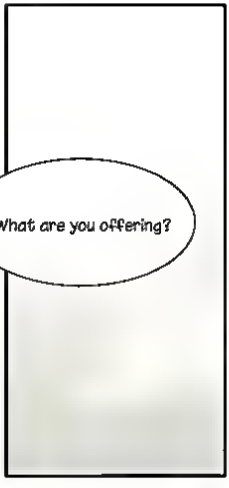


Are you that sad?
Crying won't change anything.
Stop them.

YOU CAN SOMEHOW DO IT RIGHT?
SPLIT THEM UP!
.....
DO IT!
Gosh...

Da I awe you maney ar something? Is that haw you ask for a favor?
To top it aff you're asking me ta ruin my younger cousin's relationship.
Their families seem to apprave af it too.
STOP ACTING LIKE A WUSS. IF YOU'RE A RICH KID, ACT LIKE ONE.
BULLY BERRY AND GET HER KICKED OUT!
What da you mean, like a rich kid? What kind af pre-judice is that?
Stop watching soap-operas
Anyways, I can't da it. Ask someane else.
You're the anly one who can help me now.
chew
chew





What are you offering?

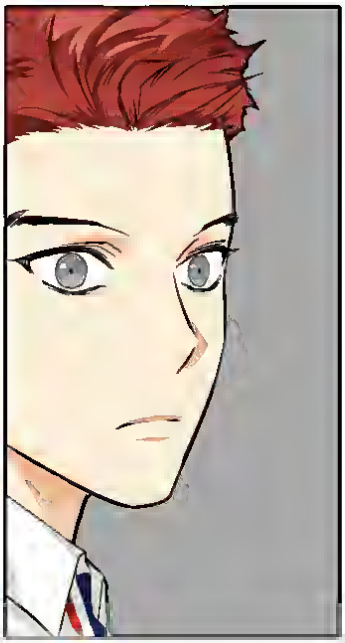
What?
If I help you split them up, what are you going to do for me?

Then...
Before you answer, let me remind you that I'm rich and also just as good with women as you are.

...

Don't you know life is all about 'give and take'?
Unless you can think of something that will change my mind, we won't get anywhere.
Even if it's difficult.
Then you choose!

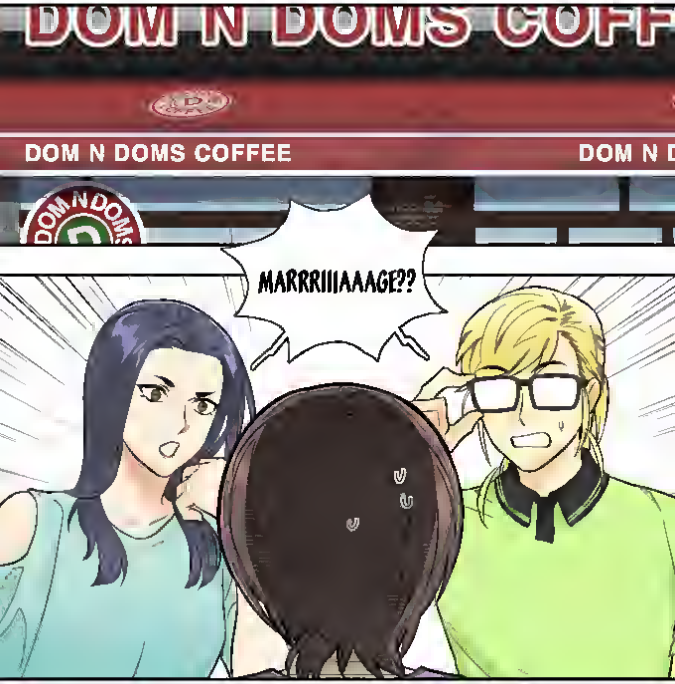
I'll do one thing you want, whatever it is!



.....
Um...
Whine
Of course it can't be something that would take a lifetime, or anything illegal
OK?

HEY, HELP ME OUT HERE, HMM?
Let me go.
Whine
Whine
Whine
Whine
Whine
Whine
I MIGHT ACTUALLY DIE.

...Fine.
I'll do it.

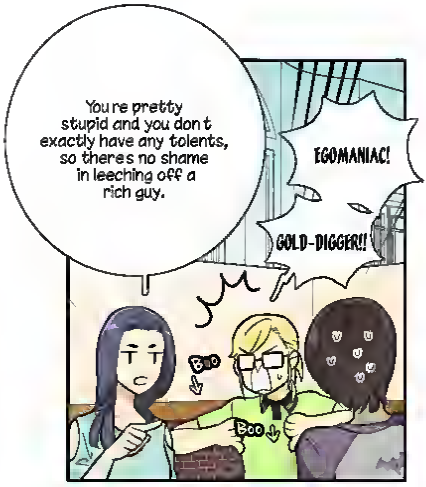


DOM N DOMS COFFEE
DOM N DOMS COFFEE
MARRRIIIAAAGE??

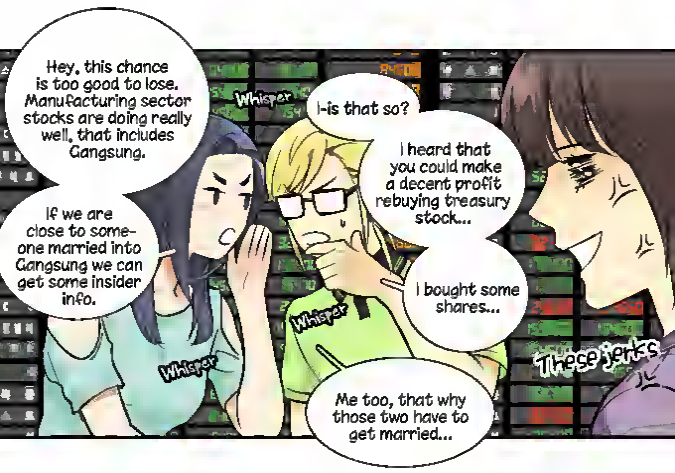
So what are you going to do?

chew
chew
...I don't know. What should I do?

Let me give you some advice.
Do it.

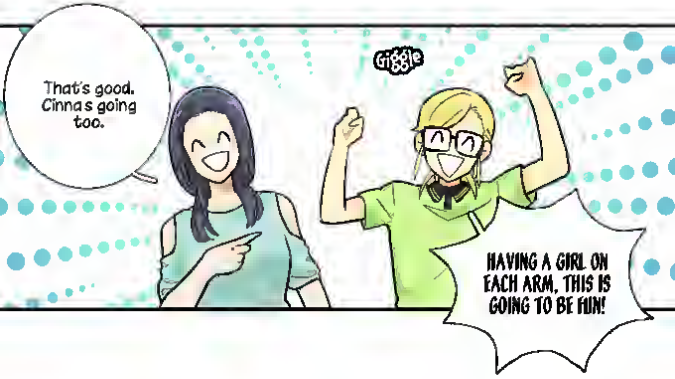


You're pretty stupid and you don't exactly have any talents, so there's no shame in leeching off a rich guy.
EGOMANIAC!
GOLD-DIGGER!!
Boo
Boo

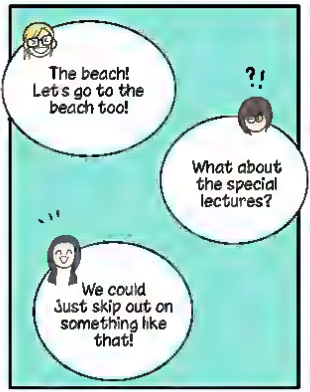


Hey, this chance is too good to lose. Manufacturing sector stocks are doing really well, that includes Gangsung.
Whisper
I-is that so?
I heard that you could make a decent profit rebuying treasury stock...
If we are close to someone married into Gangsung we can get some insider info.
Whisper
I bought some shares...
Whisper
Those jerks
Me too, that why those two have to get married...

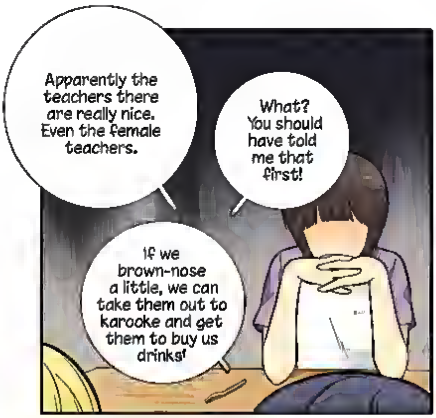
I should change the topic.
Aside from that, Cherry.
I'm thinking of attending the academy with you.
Oh, really?



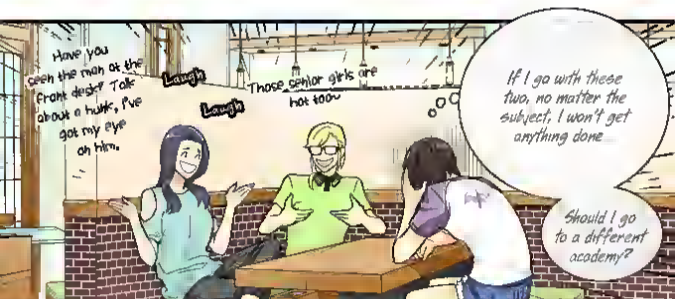
That's good. Cinna's going too.
Giggle
HAVING A GIRL ON EACH ARM, THIS IS GOING TO BE FUN!



The beach! Let's go to the beach too!
?!
What about the special lectures?
We could just skip out on something like that!



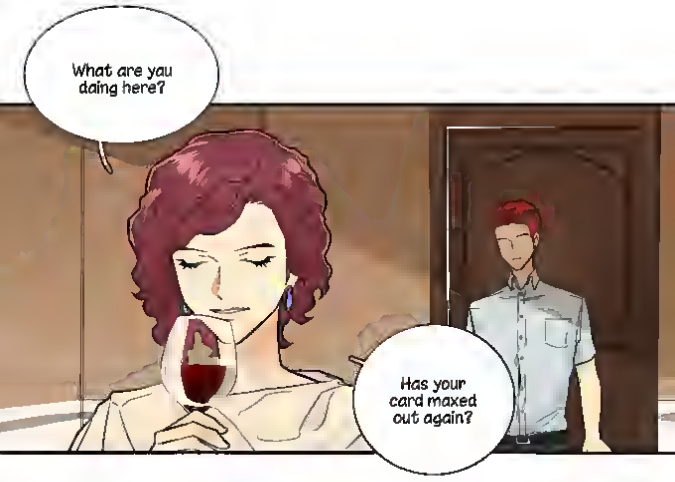
Apparently the teachers there are really nice. Even the female teachers.
What? You should have told me that first!
If we brown-nose a little, we can take them out to karooke and get them to buy us drinks!



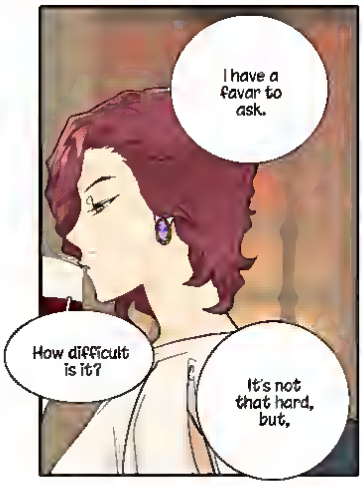
Have you seen the man at the front desk? Talk about a hunk, I've got my eye on him.
Laugh
Laugh
Those senior girls are hot too~
If I go with these two, no matter the subject, I won't get anything done
Should I go to a different academy?

Creak

Crackle
Crackle



What are you doing here?
Has your card maxed out again?



I have a favor to ask.
How difficult is it?
It's not that hard, but,

I don't think you'll agree to it that easily.

Do you know how you will compensate me?
You know that our family motto is give and take, right?
That's why we let you use money like water and live like that.

But I'm not so sure this time, at this point do you have anything that I want?
You're out of bargaining chips.
I have something left.

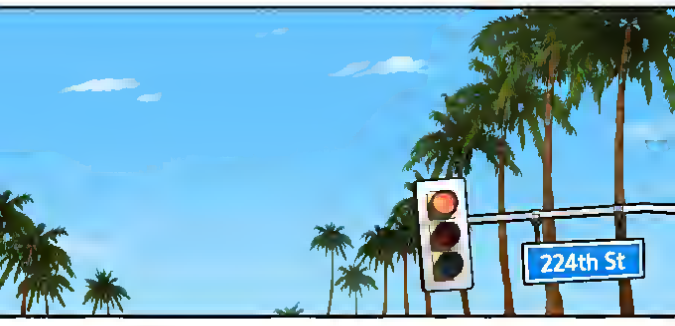
Cherry Boy, That Girl

Chapter 68



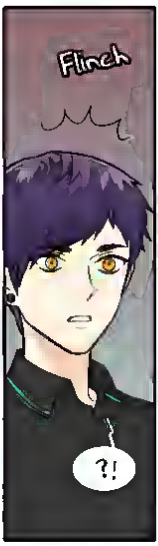
224th St

Would pasta be okay for lunch today?
Yes.

If I call now she probably won't be able to pick up because of the time difference
This is really inconvenient...

I want to at least hear her voice

There was a place like this? You should have taken me here sooner.
I like the atmosphere.
I'll make sure you get to come here often.



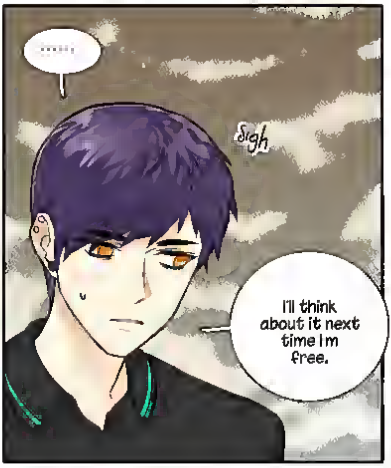
Flinch
?!

This way.
Wave

Hi~
Nice to see you.

.....
.....?
Um... Hi.

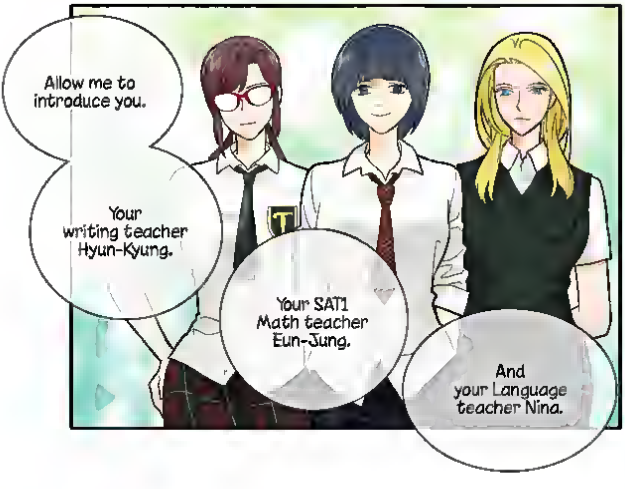
You're pretty reclusive, up until now I wasn't even sure you really existed. You know me right? I'm one of the heirs to This World Shopping Mall.
Chatter
Even when our families are meeting for business you never come to visit.
Chatter
No, I...
Chatter
You should come next time.
Everyone wants to meet you.



.....
Sigh
I'll think about it next time I'm free.

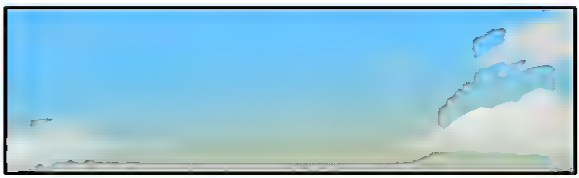
Tutoring?

I don't mind but is it 1 on 1?
Yes.
Everyone, please come in and meet the young master.



Allow me to introduce you.
Your writing teacher Hyun-Kyung.
Your SAT1 Math teacher Eun-Jung.
And your Language teacher Nina.

Are those school uniforms...?
We'll be in your care-
They don't seems much older than me but to be a teacher ..
I haven't heard of something like this before



Which do you like best?
Try them on.

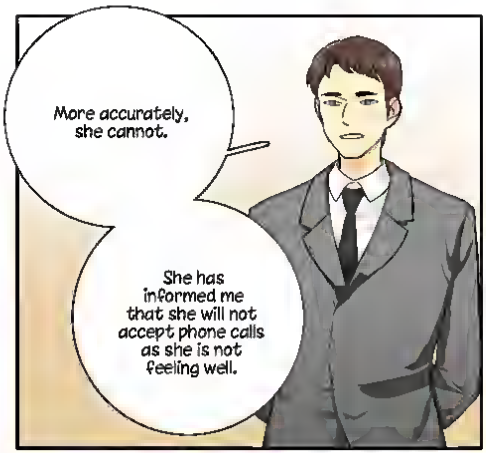
Hey, what's going on here?
What's with the tuxedos?
There is a party tonight that you must attend.
The measurements are right so just choose the design.

...I don't go to things like parties.
You don't seem to know much about my condition, but...
It has been arranged that in 2 hours you will escort Judge Shin's third daughter to the party.

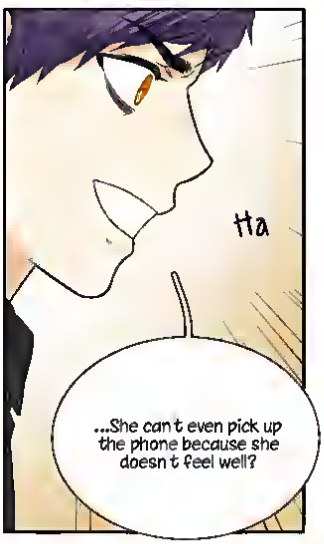
Who set up my schedule like that, please cancel it.
I am afraid I cannot do that.
Then I'm going to have to fire you as my assistont.
I am employed by Board Director.

!

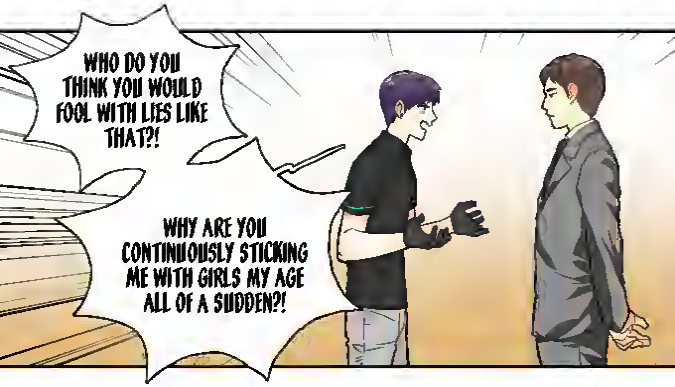
...Fine. I'll talk directly with my mother.
She won't pick up the phone.



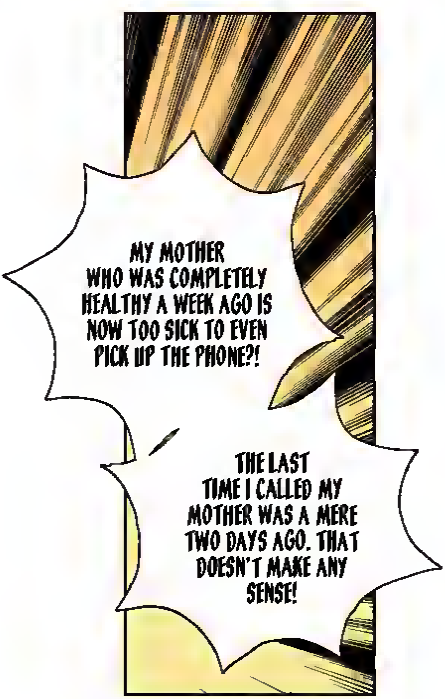
More accurately, she cannot.
She has informed me that she will not accept phone calls as she is not feeling well.



Ha
...She can't even pick up the phone because she doesn't feel well?



WHO DO YOU THINK YOU WOULD FOOL WITH LIES LIKE THAT?!
WHY ARE YOU CONTINUOUSLY STICKING ME WITH GIRLS MY AGE ALL OF A SUDDEN?!



MY MOTHER WHO WAS COMPLETELY HEALTHY A WEEK AGO IS NOW TOO SICK TO EVEN PICK UP THE PHONE?!
THE LAST TIME I CALLED MY MOTHER WAS A MERE TWO DAYS AGO. THAT DOESN'T MAKE ANY SENSE!

...is that so.

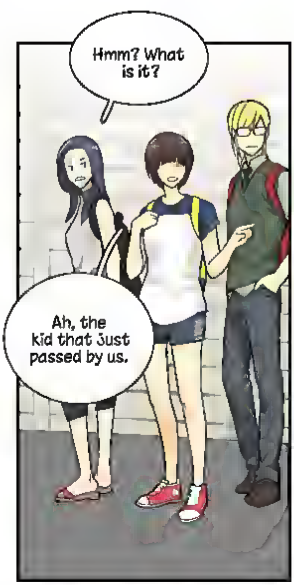
I'll send a message that the young master is very worried about his mother's health.

There are many things we must do tonight so I recommend that you get some rest.
I'll come get you later.

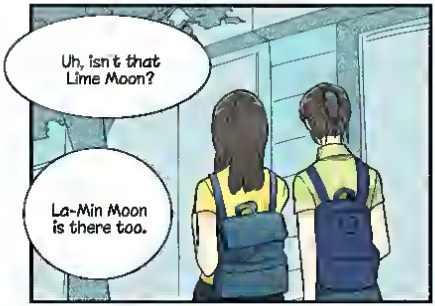
FALL

If I knew it would be like this I would have brought her with me...

Huh?
ㅊ



Hmm? What is it?
Ah, the kid that just passed by us.



Uh, isn't that Lime Moon?
La-Min Moon is there too.

They must go to an academy near here.

WHY ARE YOU TRYING TO DO SOMETHING LIKE THAT WHEN YOU'RE WELL AWARE WE'RE ALL IN AN UNCOMFORTABLE RELATIONSHIP!

Let s stop this and go inside.
Class starts in 10 minutes.
Ah, I m going to pass today.
What?
Even though today s the first class?

Do you have a date?
Don t joke, who would I have aside from you? It s not that.
It s something I m doing for my health.

Study hard.
Oh...ok, see you next time.

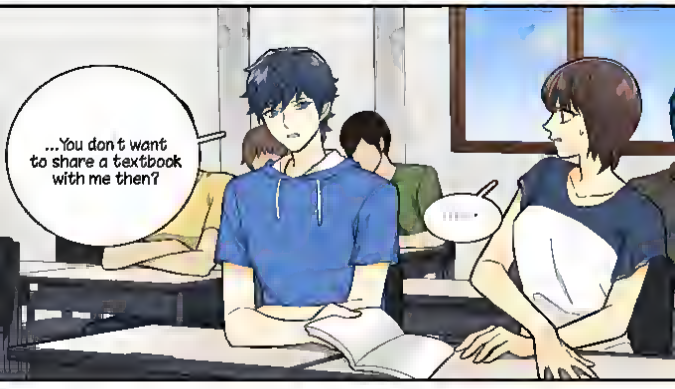
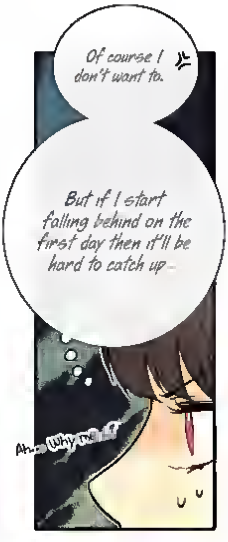
What are you planning...?
I came to study at the academy, why else would I be here?

Don't lie! Even so, how did you get the seat next to mine...?
Ah, the teacher is here.
Hi
Hello



...You don't want to share a textbook with me then?



Of course I don't want to.
But if I start falling behind on the first day then it'll be hard to catch up -
Ahh... Why me...?

I can move to the seat next to Cherry and share hers.
There won't be any space next to Cherry...

What, why's he like this? He isn't like the Darin I knew?

He is acting completely different, it's like someone else is wearing Darin's skin.

Hey...
For everything I've done to you up till now...

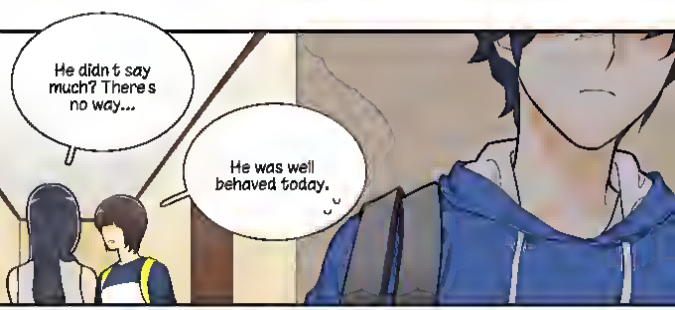
It's a bit late but I apologize.
I'm sorry.
Distant
...Ye-ah well...

We'll see each other after this too...
Will you greet me next time?
Huh? Yeah...
HUH? HEY!!

DARIN WHY ARE YOU HERE?!
Who are Boyfriend?

WHAT ARE YOU SCHEMING THIS TIME...?
Later.

Are you okay? Did Darin say anything to you?
Hmm? No...



He didn't say much? There's no way...
He was well behaved today.

Did his personality change since I last saw him...?
Whoa... It's that much?

SFX: Pump!!
WOW!

STRAWBERRY SHIN DIDN'T SAY SHE HATED ME. SHE DIDN'T TELL ME TO GO AWAY.
NOT ONLY THAT, SHE WAS AWARE OF ME AND KEPT GLANCING AT ME!
HOW LONG HAS IT BEEN SINCE SHE'S BEEN THIS FORWARD.

I GUESS THAT PIERRE GUY ACTUALLY GIVES SOME GOOD ADVICE!

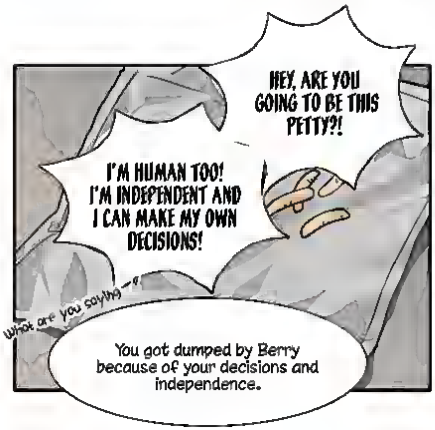
OFFICER
A few days before

Well... I'm thankful that you'd give me advice to turn Berry's mind around but...
I have to listen to it for an entire year?
Chew
Murmur
Murmur

Why, is that not long enough?
ARE YOU CRAZY?
IT'S TOO LONG!

I'm giving you advice in exchange for a favor, but you don't like it because it's too long...?
YEAH!

Then let's just call off this deal.
!
GASP



HEY, ARE YOU GOING TO BE THIS PETTY?!
I'M HUMAN TOO! I'M INDEPENDENT AND I CAN MAKE MY OWN DECISIONS!
What are you saying—?
You got dumped by Berry because of your decisions and independence.

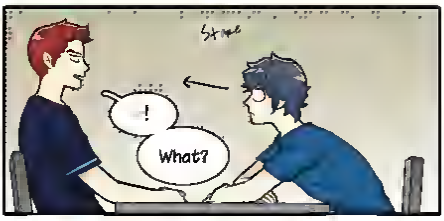
You want to get back together with Berry right?
I, the prince of dating, the Casanova who recognizes beauty, think the methods you've used up till now are completely wrong.

Don't you feel like you should listen to someone else's advice right now?
...?
That's...
Really?
That's pretty persuasive.

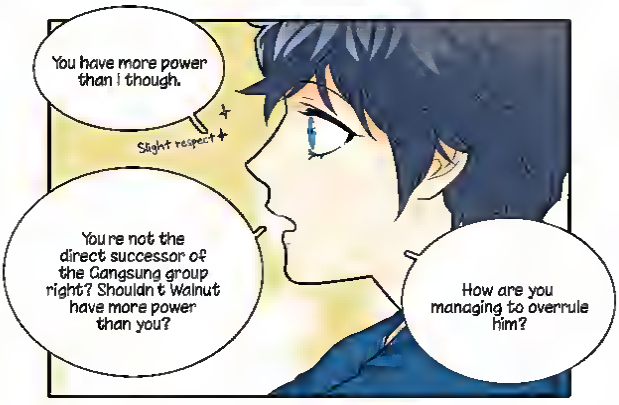
First your demeanor...
Pierre I think what you're saying is right.
I never had anyone to ask for advice but Cinna, till now.
Hey... Are you going to keep calling me by my name like that?
I don't care if it's hyung or sunbae*, but you should still use an honorific.
Haha
Why? After we've been friends for so long...?
What do you mean? At least call me hyung from now on.

TN: Hyung is used to refer to a close male friend, and Sunbae is used when referring to a senior in a professional context.

That aside, how are things going on Walnut Kang's side?
Ha...
Don't worry about that. It'll be hard for him to contact Berry for the time being
I made sure about that.



!
What?

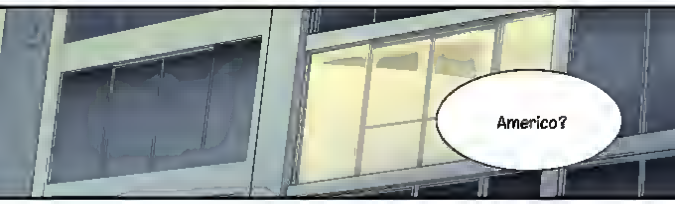


You have more power than I though.
Slight respect
You're not the direct successor of the Gangsung group right? Shouldn't Walnut have more power than you?
How are you managing to overrule him?

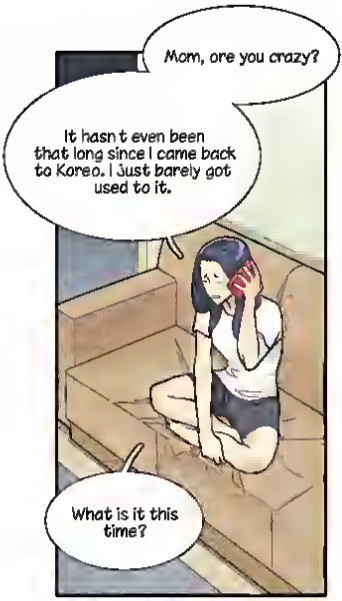
...I wonder.

Both sides have their circumstances, and there are some rules to all this.
Of course, when it comes to direct power, I have nothing on Wally.
Hmm~ Really?
Whatever.
Well, alright.

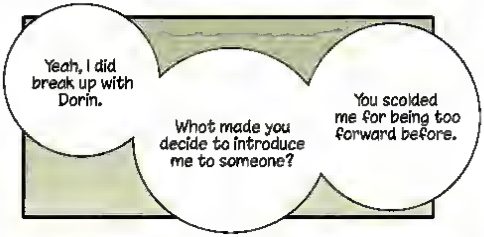
...Should we just eat pizza?
Make it a super supreme pizza.



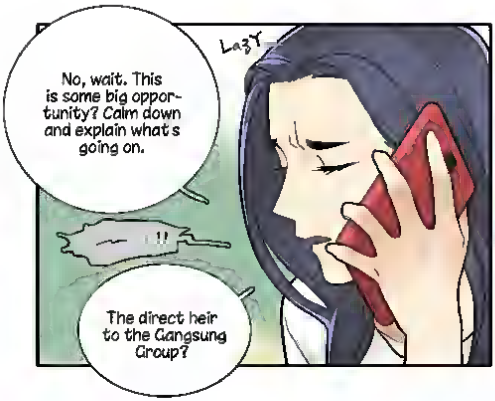
Americo?



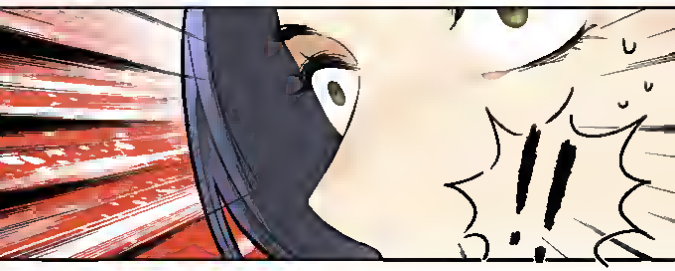
Mom, ore you crazy?
It hasn t even been that long since I came back to Koreo. I Just barely got used to it.
What is it this time?



Yeah, I did break up with Dorin.
Whot made you decide to introduce me to someone?
You scolded me for being too forward before.

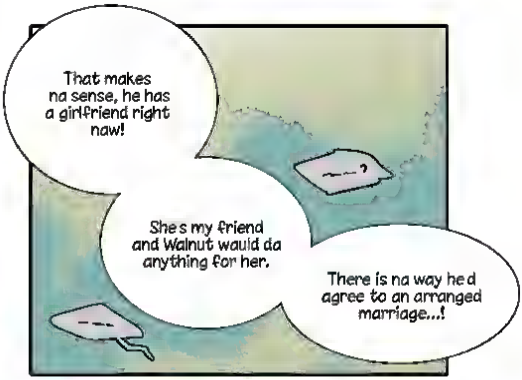


No, wait. This is some big opportunity? Calm down and explain what's going on.
Lazy
The direct heir to the Gangsung Group?

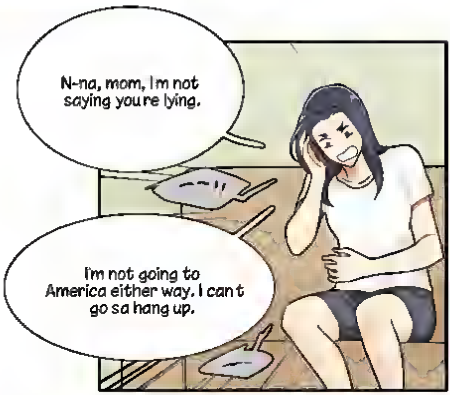


!!

WALNUT KANG IS OUT ON THE ARRANGED MARRIAGE MARKET?!



That makes no sense, he has a girlfriend right now!
She's my friend and Walnut would do anything for her.
There is no way he'd agree to an arranged marriage...!



N-no, mom, I'm not saying you're lying.
I'm not going to America either way. I can't go so hang up.

Stop with the nonsense,

Think about it, with the number of academies there are, what's the chance that Mandarin Kim coincidentally signed up for the same one as us?
This jerk gave him some information.

You disappoint me Cinna...
I guess you have no loyalty to us.
I can't believe it...
Don't hang out with us anymore.

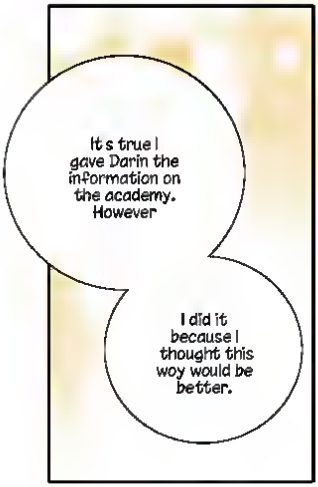
Ok, ok, I get it.
Let me give some excuses.



It's true I gave Darin the information on the academy. However
I did it because I thought this way would be better.

What are you talking about? If you're going to make up excuses at least make them sensible.
First of all, I got a promise from Darin that he wouldn't do anything bad.
He said he just wanted to see us sometimes because he gets lonely.
We all know that the three of us were the only people he ever really hung out with.

I do feel a little sorry for Darin...

Huh?

What nonsense are you saying? Did Cinna infect you?

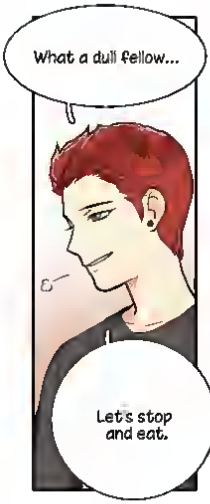
Sister, ha!

I didn't catch anything. It's just that it's true that he doesn't have any friends,

and I get the feeling he doesn't get enough attention.

I'm not saying I'm going to continue to converse with Darin...
Either way, we liked each other. I want him to get better sooner than later.
Besides, I want him to keep his nose out of my life.
I only remembered after hearing you talk, but
I... used to want to fill the emptiness Darin had.
Thinking back to it now, that emptiness wasn't something an outsider could fill...
Anyways, keep on your guard.

Even so, he's just Darin



What a dull fellow...
Let's stop and eat.

I told you I didn't want to eat. Eat alone.

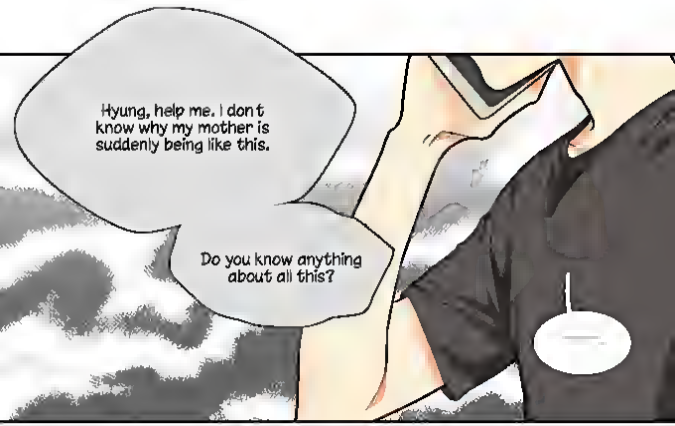
What do you mean trapped?

They allowed me to use the phone because I said I would talk with you,
but I'm being watched.



Hyung, help me. I don't know why my mother is suddenly being like this.
Do you know anything about all this?

...No, I don't know anything.

Are you sure she isn't just doing this so you'd study harder?

That's not the feeling I'm getting.

They're suddenly bringing girls...

Not to mention I'm getting forced to go on dates.

It must be hard on you. I'll look into it.

Yes... And Hyung.

Will you tell Berry about me? She's probably worrying a lot...

Yes... And Hyung.
Will you tell Berry about me? She's probably worrying a lot...

What sort of call is this to make him so serious?
Is it his girlfriend?

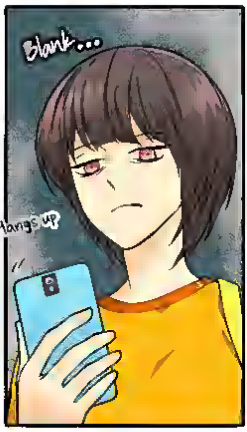
Yes, Oppa. That alley. You know, right?

Im already nearby, I'll be right there.
Thank you. Then I'll ask for a favor.



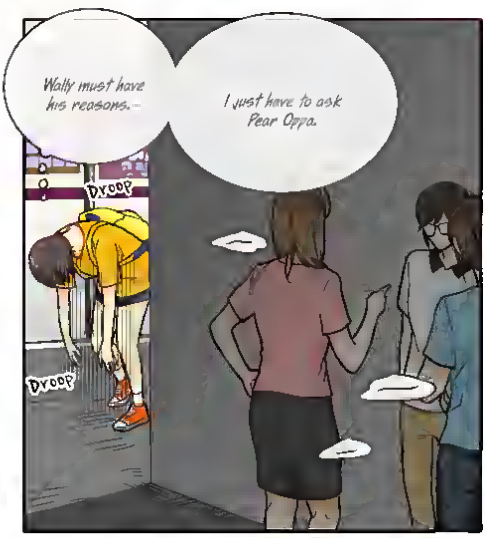
Blank...
Hangs up

Why does it have to be so nice out when I feel so terrible..?
It's been 3 weeks since the start of summer break.

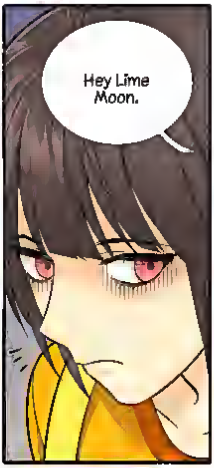
GANG SUNG
Beep

There hasn't been any word from Wally either
Do you ever know how fast American girls fill up? This isn't the time to be waiting for him to call, if it were me I'd just swim across the Pacific
Ring!
Ring!
He can't be cheating on me with some sexy girl like Cherry was saying right?
Trudge
Trudge

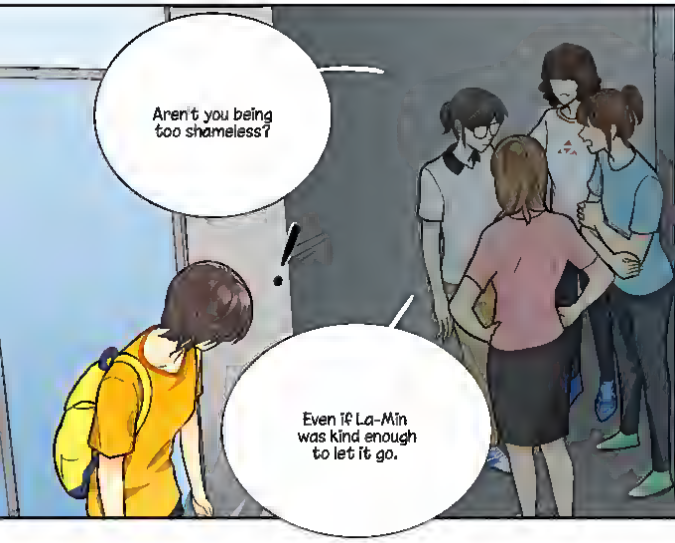
He doesn't respond to any of my attempts to contact him either
...Have I been dumped...?
..It can't be..



Wally must have his reasons...
I just have to ask Pear Oppa.
Droop
Droop



Hey Lime Moon.

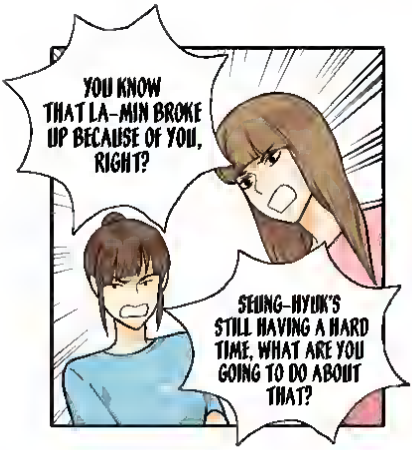


Aren't you being too shameless?
!
Even if La-Min was kind enough to let it go.

It's Lime Moon on... What are they, a gang? This is trouble.
Hide
Shouldn't you apologize for what you've done?
She's right.

E-even so, Lime isn't the type to just take this
I'm sorry.

She apologized!!
Huh?



YOU KNOW THAT LA-MIN BROKE UP BECAUSE OF YOU, RIGHT?
SEUNG-HYUK'S STILL HAVING A HARD TIME, WHAT ARE YOU GOING TO DO ABOUT THAT?

She isn't getting bullied? It's just an argument?
This doesn't feel like something I should get involved in.
Think Think
More importantly, Lime wouldn't be happy with me interfering, it would be best for me to stay out of it, right...?

SHOULDN'T YOU AT LEAST KNEEL DOWN?!

Is everything supposed to be fine just because you said it, huh?
Poke
Poke
THAT'S TOO HARSH!

What do I do...?!!
This is big trouble.
Whatever
Forget it!
WAIT, YOU GUYS...
Oi, you ladies.

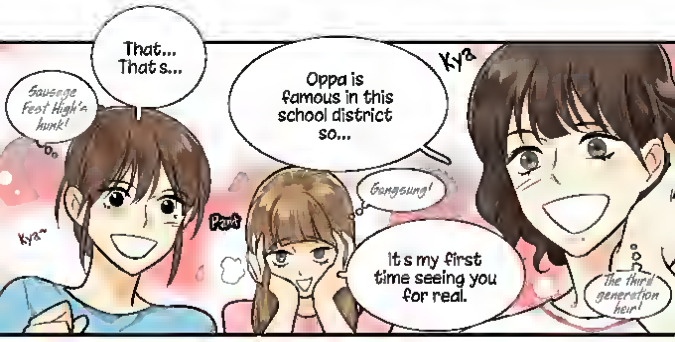
What are you doing?

Pear Oppa!

Wh-what?
!GASP!
That's Pear Kang right?!
Wow!
We're just having a talk.

It looks like you're getting a bit rough,
are you guys bullies?
N-no!

Actually we are the victims here!
Pear Oppa wouldn't know this but...
Hmm?
You guys know me?



That... That's...
Sausage Fest High's hunk!
Kya~
Oppa is famous in this school district so...

It's my first time seeing you for real.

Ah, really? I'm grateful, so should I buy you a meal sometime?

Can you tell me your number?
Really?
Wow, Jackpot.

I've always wanted to get close to Oppa!

Then should we take this chance to get closer?
Yes!! Yes!

Then, for my sake you'll just let her go, right?

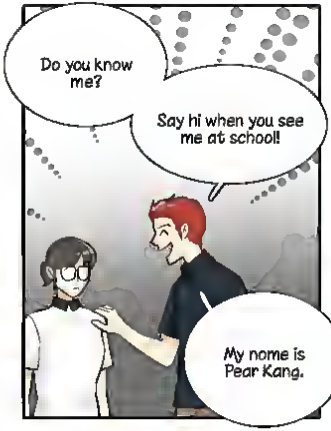
How could this be...? I thought there wasn't a girl I didn't know about!
He saw her with me constantly near the start of the school year...

...I don't really
stand out that much.



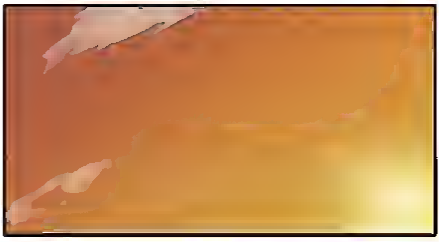
Do you know me?
Say hi when you see me at school!
My nome is Pear Kang.

I'm Lime Moon.

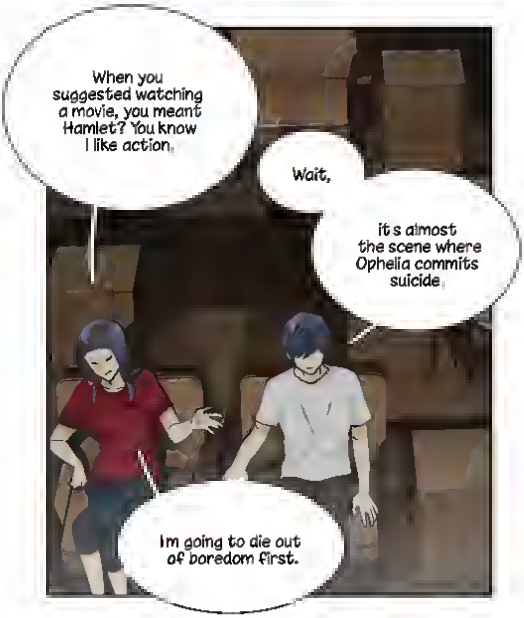
Then, should we go and have a cup of coffee?
All together?
Why? You can't?
That's not it...

It's weird to talk about Wally in front of Lime...
Lime might be busy...
I'm fine.
!

I know a Café around here, shall we?
Yes...
It's over...



This is boring.



When you suggested watching a movie, you meant Hamlet? You know I like action.
Wait,
it's almost the scene where Ophelia commits suicide.
I'm going to die out of boredom first.

It's even in black and white.
GRR...
I shouldn't have come with him
Wait, this feels like...

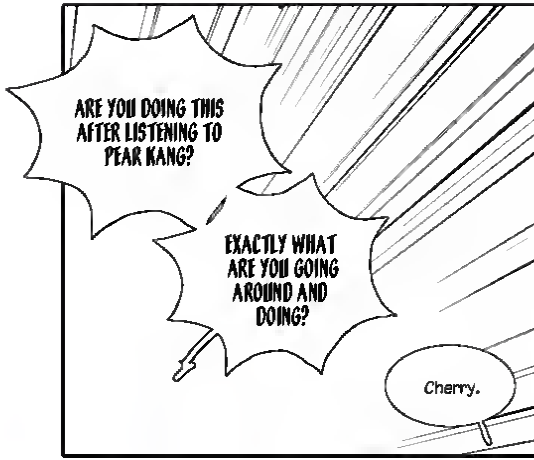
Darin has something he wants from me-
Cherry.
YOU CAN'T!!

YOU'RE THINKING OF GOING AFTER STRAWBERRY SHIN AGAIN, RIGHT?! DON'T ASK FOR MY HELP, I WON'T LISTEN!
BERRY IS MY FRIEND NOW, GET IT?!
...

EVEN IF THAT WASN'T YOUR PLAN, MY OPINION IS...
I wasn't planning to make such an unreasonable request in the first place.
I get it.

Then at least just stay out of my way.

ARE YOU SERIOUSLY GOING TO BE LIKE THIS? ARE YOU AN IDIOT?
IF I OVERLOOK YOUR SCHEMES DO YOU THINK BERRY WILL COME TO LIKE YOU?
At least that's what Pear Kang thinks.



ARE YOU DOING THIS AFTER LISTENING TO PEAR KANG?
EXACTLY WHAT ARE YOU GOING AROUND AND DOING?
Cherry.

Cherry Boy, That Girl

Chapter 72

.....
It's not fine with just me?

Leave Berry alone!
I TOLD YOU I'D HELP YOU!
That's the problem.

I'm 17 now. I don't like you always solving my problems anymore.

I need a Strawberry Shin, who will love me.

YOU...!
Back then I had no choice but to rely on you.
You knew that, and yet you said the way I clung to you was tiring and went to America.

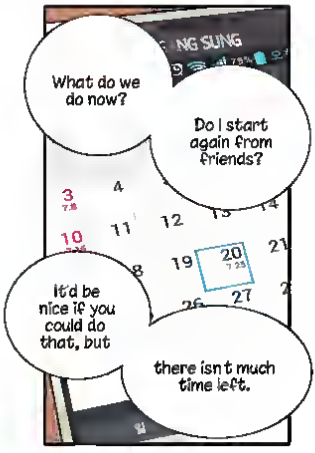
You're only after feeling good about yourself for pitying me because I depended on you.
You have the delusion that you helped me when you only did it for yourself.
Do you even realize how wretched I feel?

I'm not blaming you. Just...
if you don't have the heart to keep me alive or the bravery to kill me
at least pretend to not see what I do.

OFFICETEL
Have you recruited Cherry Kim too?
Yeah.

But was there really a need to have Cherry on our side?
You're naïve. There's a big difference when there is someone to bother you.
Is she someone who'd stand by and watch?

Since Berry believes anything she hears, you have to be careful of the people around her.
Ah... That's right.



What do we do now?
Do I start again from friends?
It'd be nice if you could do that, but
there isn't much time left.

Huh?
Why?

There isn't anyone to bother us now.
Have you forgotten about Wally?
He should be back around late fall.

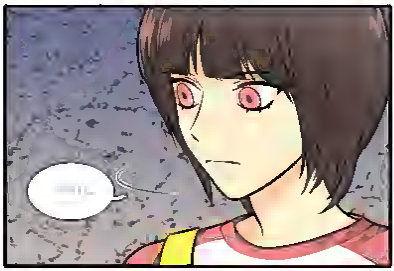
SFX: Dance x2

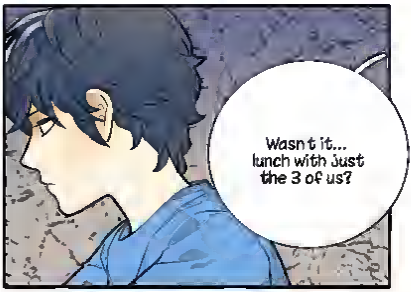
There is a family event that he can't miss.
This is something even I can't do anything about.
WHAT?
WASN'T HE GOING TO LIVE THERE NOW?

If Walnut Kang and Berry meet, everything we've done up till now would be for nothing!
What do we do?!
What do you mean, "what do we do"?

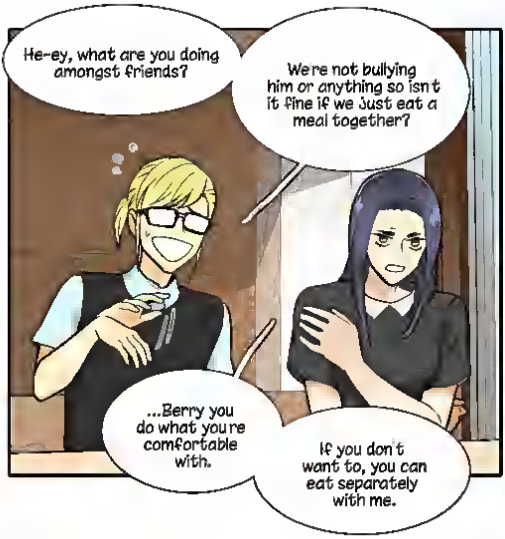
We have 3 month to change Berry's heart.

Y-you came?





Wasn't it... lunch with just the 3 of us?



He-ey, what are you doing amongst friends?
We're not bullying him or anything so isn't it fine if we just eat a meal together?
...Berry you do what you're comfortable with.
If you don't want to, you can eat separately with me.

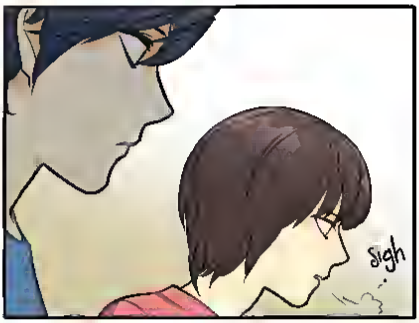
Should I leave if you're uncomfortable?

Ugh

Sigh
It's fine.

...Berry, was that really enough to eat?
Yeah, are you on a diet?

...It's nothing big.
Drop
I don't have much of an appetite lately.



Sigh

Hey, you don't need to diet anymore.

See you tomorrow.

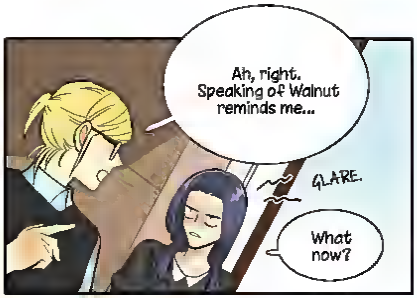
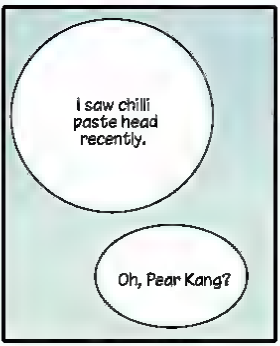
The week of magic...
SFX: Dig
Ack!

Following after Berry would only be counterproductive
I'll leave naturally like Pear told me to
READ THE MOOD!
Do you have eyes?
Ch-Cherry it's not that...

You idiot,
Berry has been sensitive lately.
Really?
Both of you, don't bug her.
What did Darin do?
All that stuff he did up till now.
Isn't she like that because of her problems with Wally?
What, how did you know?
How did you know the reason Berry is having a hard time is because of Walnut.
Are you conspiring with Darin?
Na, I heard that Walnut Kang went to America...
I just guessed...



Ah, right. Speaking of Walnut reminds me...
GLARE.
What now?



I saw chilli paste head recently.
Oh, Pear Kang?

He was with a woman around working age at a super expensive looking restaurant.
If I didn't know Pear Kang was from a really rich family I'd have thought he was leeching off her.
Pear Kang was?
How'd you got to that super expensive restaurant?
I went because of my older sister's in-law meeting.
You're coming to the wedding, right?
SLURP

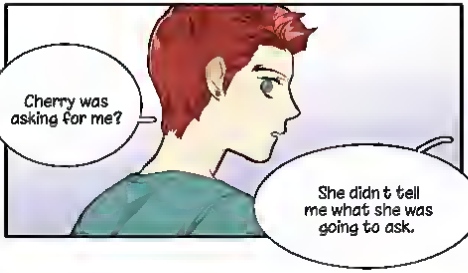
Besides that. Hey Darin. You're close to Pear Kang, right?
No!
Not really.

Haven't you heard anything about Walnut from Pear Kang?
No, why?

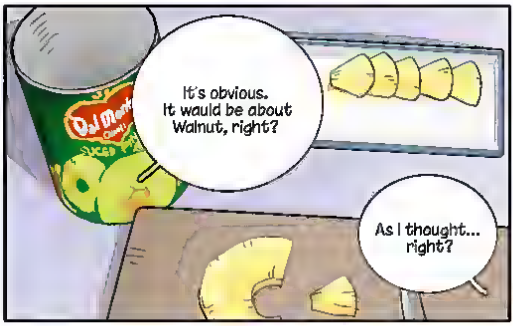
I'm not that close to him...
I'm just putting up with him since he contacts me.
Pear Kang is pitiful too
Anyways, bring Pear here next time. I have something to ask him.
What?
You don't need to know that.

Can you or not?
I'll ask if I get a chance to see him.
That's a promise?

강성
OFFICETEL



Cherry was asking for me?
She didn't tell me what she was going to ask.



It's obvious. It would be about Walnut, right?
As I thought... right?

I have to meet with Cherry Kim at least once...
Flinch
What? Why are you staring at me?

It's nothing, I've just been thinking that you're smarter than I thought you were.
At first I thought you were a brainless playboy.

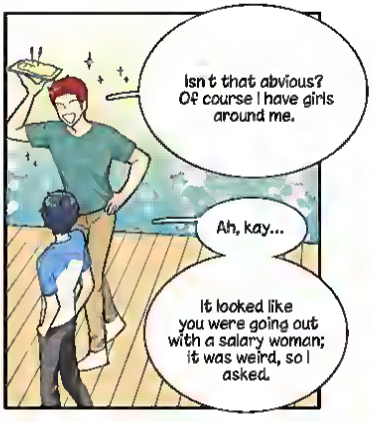
Cherry Boy, That Girl

Chapter 73

Lately it seems as though you are seeing someone.
What?



Isn't that obvious? Of course I have girls around me.
Ah, kay...
It looked like you were going out with a salary woman; it was weird, so I asked.

Salary woman?
Didn't you eat at P Hotel?
How did you know?
Cinna said he saw you

Is it something serious?
Eating at someplace that expensive...

My nose is tingling for some reason.

It's like a cat that disliked me sat next to me for the first time.
What it that supposed to mean?
Besides that, the Berry situation is pretty bad.
Don't treat me like an animal!

Didn't you ask her to hang out recently? How are you going to talk to her?
And what about Cherry? Even if I do something about it, I won't be able to completely stop her. You know how strong and witty she is.
Hmm...

When it's like this, you just have to be emotional about it.

Sometimes it works out better if you think about it in a simpler way.
chew

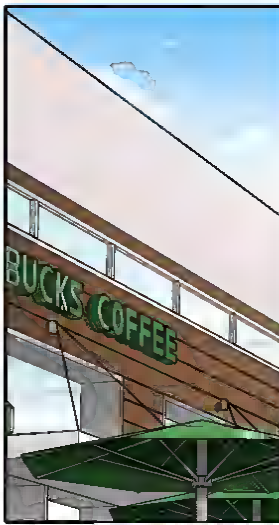
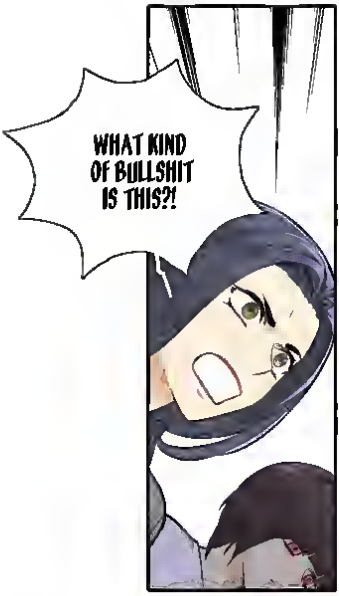
000
Emotional...?



BUCKS COFFEE



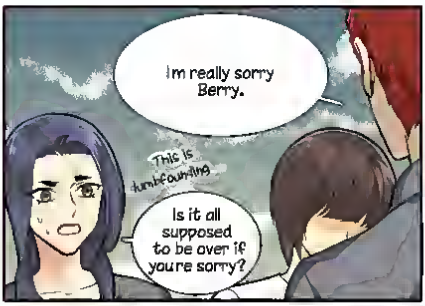
WHAT KIND OF BULLSHIT IS THIS?!

THE GANGSUNG HOUSEHOLD SUDDENLY REJECTING BERRY?
AFTER ALL THAT?! IT MAKES NO SENSE!!

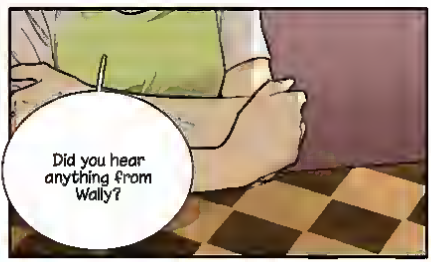
SHE WAS THE ONE WHO FIXED THE KID WHO HAD A FEAR OF WOMEN IN THE FIRST PLACE!
He isn't completely cured. He's still getting treatment.
WHATEVER!

It's true Berry had a big part in it but,
Wally had refused medicine and treatment from the start.
It was something that could be cured easily if he had just agreed to it.

Now that the successor to the group is cured of his disease
they're considering the girlfriend's class.
Thus was what he meant by emotional?
Do rich people consider this being emotional?



I'm really sorry Berry.
This is humiliating
Is it all supposed to be over if you're sorry?



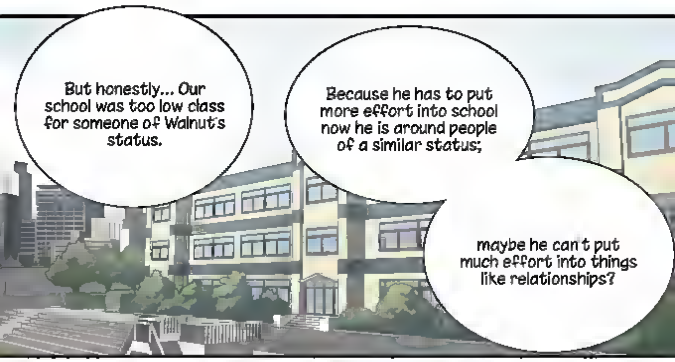
Did you hear anything from Wally?

YEAH! STOP TALKING ABOUT THE HOUSEHOLD, WHAT DID WALNUT TELL YOU?!
DIDN'T HE CONTACT YOU?!
He did.

I got a call from Walnut. He asked me to tell you...
That he didn't know the situation himself...

And since he didn't know when he would come back,
you shouldn't wait for him.
Crack

WH-WHAT? WALNUT THAT BASTARD...!
I'm sorry that I had to tell you like this.
Walnut probably means for the best.

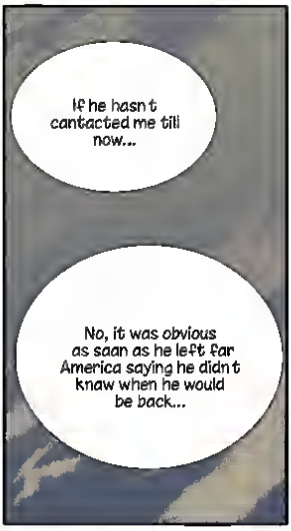


But honestly... Our school was too low class for someone of Walnut's status.
Because he has to put more effort into school now he is around people of a similar status;
maybe he can't put much effort into things like relationships?

Anyways, I'm really sorry...
I have something to do after this, so I'll be going. See you soon.

Hey, Pear Kang! Youre just leaving after saying whatever you want?
Berry, you say something...

No, well...
Tear
I'm fine.

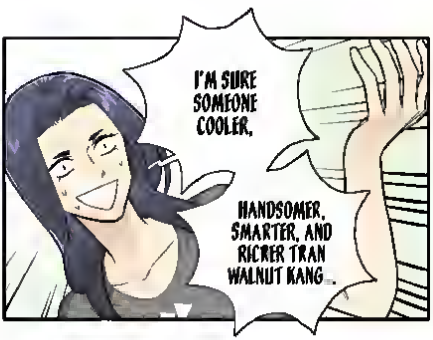


If he hasn't contacted me till now...
No, it was obvious as soon as he left for America saying he didn't know when he would be back...

.....
Do I consider this being dumped or still dating...?

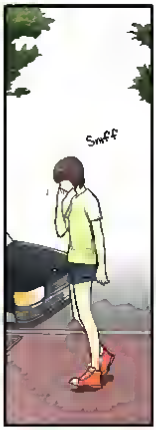
When Wally did something ridiculous like proposing...
Did he know things would turn out like this?

SFX: Depressed...



Is anyone like that...
in Korea other than him?
Give up.

Are you really okay going home alone?
I'm okay. Thanks for coming with me.
Okay... Bye.
Yeah.

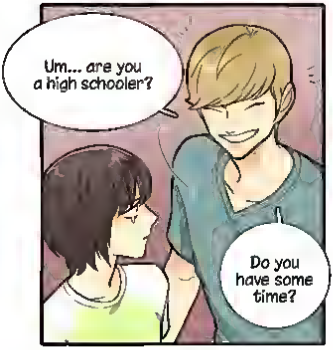


Sniff

Let's get married when I come back.

Liar.
Sniff

What do you want me to do...?



Um... are you a high schooler?
Do you have some time?

You've been dumped, right? I'll buy you a meal.
Sneak
No, I'm fine.
Hey, don't be like that.

I said I don't want it.
My car is over there, you'd feel better if you saw the beach.

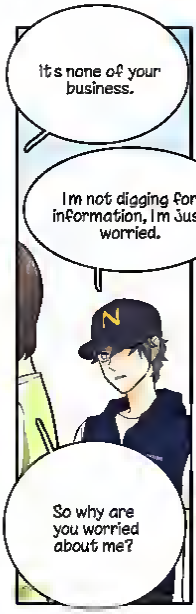
Uh... yeah.

I was looking to see if you needed any help.
...You? Help me? You're weak.

Sniff
Sniff

Were you crying?
Surprised!

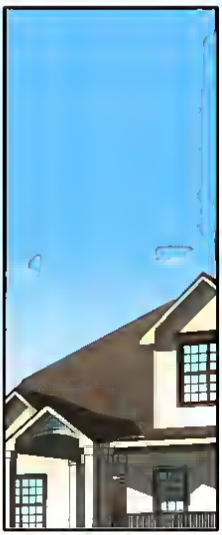


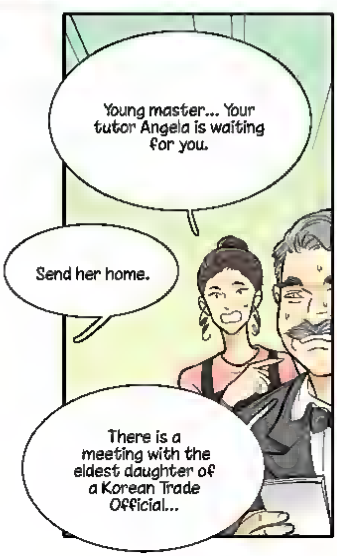
It's none of your business.
I'm not digging for information, I'm just worried.
So why are you worried about me?

Are you seriously asking me because you don't know why I'm worried about you...?

Be careful when you head home.
Don't get caught by some weird dude like just now.

What is... his objective? What does he want?
The way he acts is just suspicious...





Young master... Your tutor Angela is waiting for you.
Send her home.
There is a meeting with the eldest daughter of a Korean Trade Official...

Cancel everything that has been scheduled.
BANG

Young master, please don't be like this.
We'll get in trouble...

I will not cooperate with anything unless you return my cellphone.
BANG

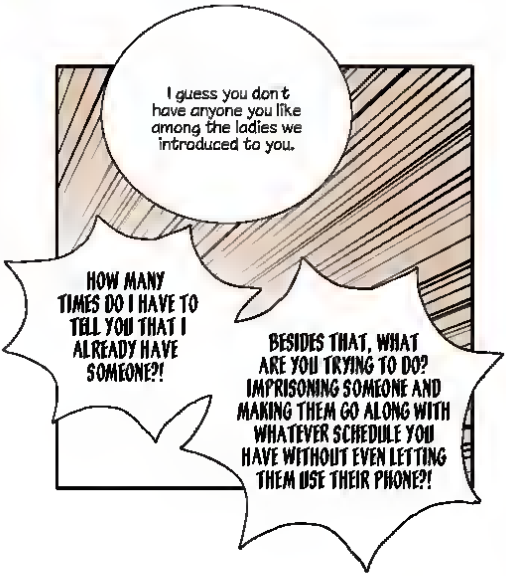
Even if you break down the door and drag me out. Do whatever you want

Can't we just return it?
Do you want to be fired?
Young master...



I guess you don't have anyone you like among the ladies we introduced to you.
HOW MANY TIMES DO I HAVE TO TELL YOU THAT I ALREADY HAVE SOMEONE?!
BESIDES THAT, WHAT ARE YOU TRYING TO DO? IMPRISONING SOMEONE AND MAKING THEM GO ALONG WITH WHATEVER SCHEDULE YOU HAVE WITHOUT EVEN LETTING THEM USE THEIR PHONE?!

I understand. I will let young master choose your partner.
Sigh
Words won't go through no matter what.

Please forget the girlfriend you left behind in Korea.
You must realize that we have been ordered to have young master match up with one of the girls here without fail.

Let's stop here for today~
Thank you for your effort.

School is already starting again next week.
All that work on my beach body but I never got to show it off.

We can still go at least once if you still want to. Even if we can't go to the beach we can go to a water park or something...
You could always go with Cinna too.
It's fine, I'll go with you once you are feeling up for it.

.....

...Yeah
Thanks for thinking about me.

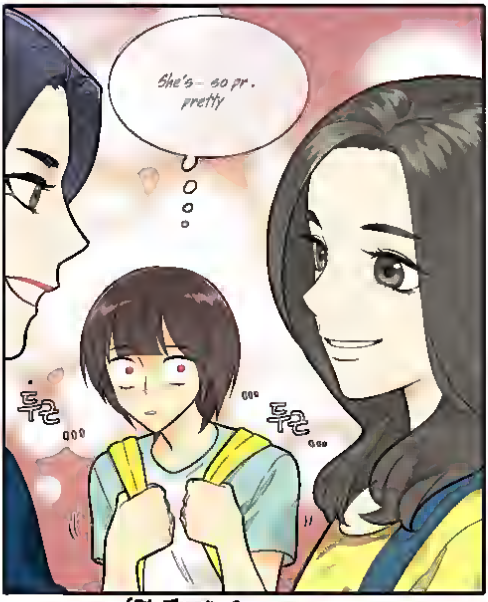
I wanted to see you wear a bikini...
I wanted to touch your potbelly...
Surprised!
Weep
WH-WHAT? I DON'T HAVE ONE!
I'M NOT GOING TO THE BEACH WITH YOU!

Let me touch it... You told me you wanted to be friends, why are you being so harsh?
IT'S BECAUSE YOU'RE SAYING WEIRD THINGS!
Weep

Cherry Kim... Right?
Who's asking?!

It's been a while!
I'm La-Min. You remember me, right? We went to the same academy.

Yeah, of course~ How've you been? I heard you went to a foreign language school?
Yeah. I heard you studied abroad, did you come back?



She's... so pr. pretty

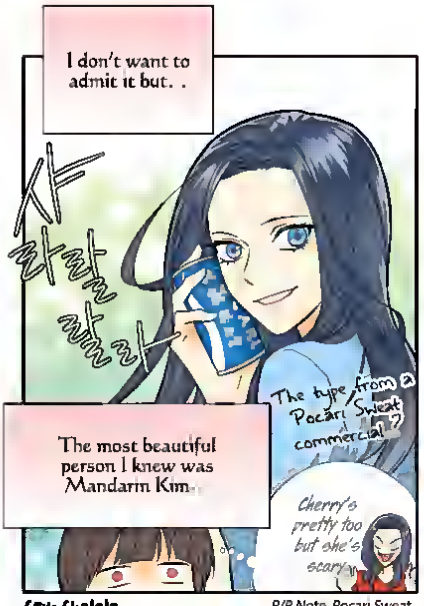
SFX: Thump x2



I don't want to admit it but. .
The most beautiful person I knew was Mandarin Kim..
The type from a Pocari Sweat commercial?
Cherry's pretty too but she's scary...

SFX: Shalala

P/N Note Pocari Sweat is a Japanese sports drink.

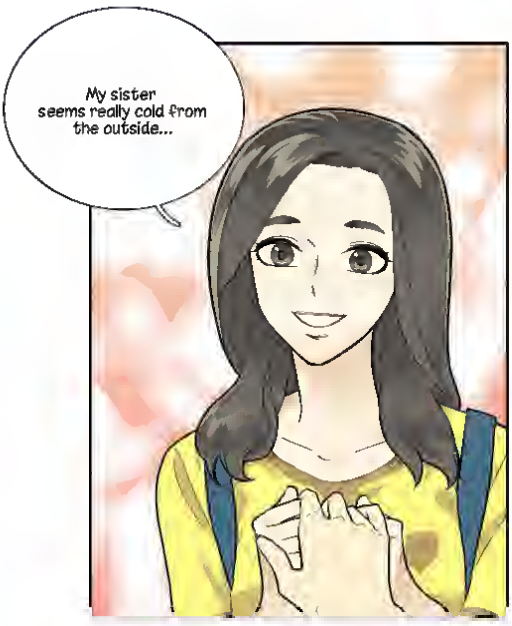
Umm... Hi?
It's the first time I've seen Cherry with a girl friend. You must be really close.
Oh, yes... No, yeah...
Ehehehe
We go to the same school but we're in different classes.
We met because we dated the same guy.
Gasp
Hmm...?
No, bringing that up is a little...
Ah! So, my name is Strawberry Shin.
I go to Sausage Fest High same as Cherry.
Yeah. I know where that is.
My older sister goes there.

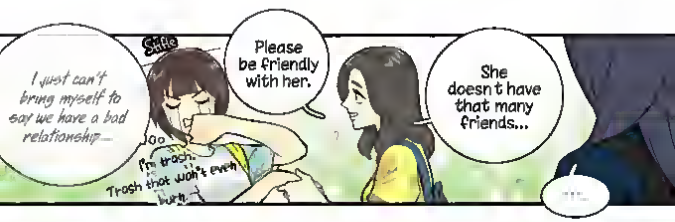
Do you know anyone named Lime Moon?
I... I wonder,
w-we're in the same class...

Really?? You know her? Please take care of my sister!
Wh... what?



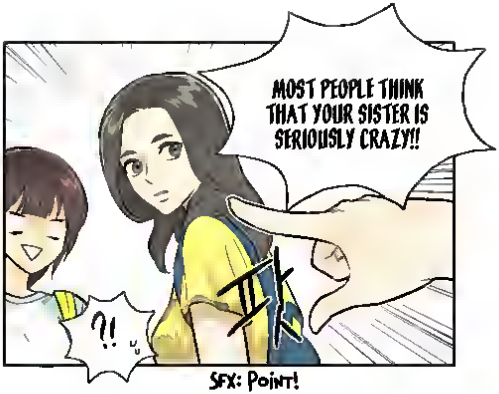
My sister seems really cold from the outside...

She's actually a mellow and good person.
What?!
How we talking about the same Lee Ma-eum?
She's a weakhearted girl and is really loyal.
People just don't know that.



I just can't bring myself to say we have a bad relationship...
Sulle
Please be friendly with her.
She doesn't have that many friends...
Go
I'm trash. Trash that won't even hurt.

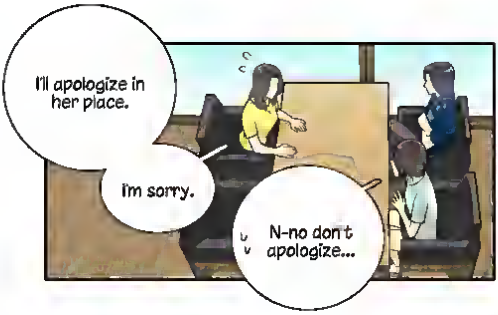
La-Min... Get your head straight.



MOST PEOPLE THINK THAT YOUR SISTER IS SERIOUSLY CRAZY!!
?!
SFX: POINT!

Lime isolated Berry and harassed her.
She also picked a fight with me.
...!
...!
N-no, there was more to it than that.
Don't worry about it...

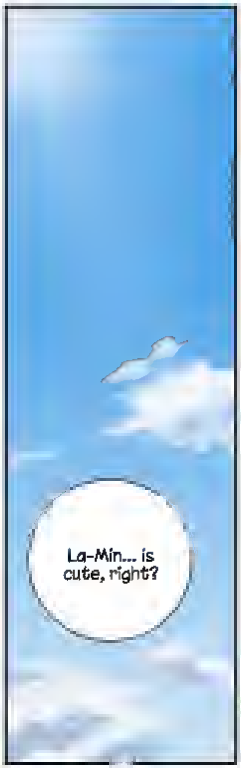
Th-there was something like that?



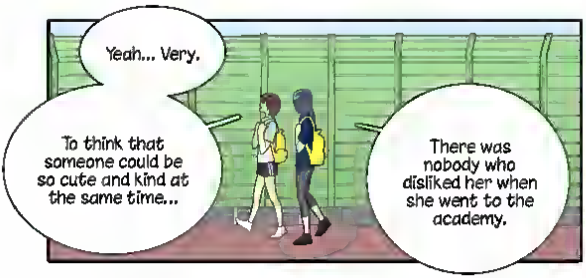
I'll apologize in her place.
I'm sorry.
N-no don't apologize...

My sister must feel bad about it too.
She'll definitely listen to me if I talk to her carefully so...
I'm really sorry.

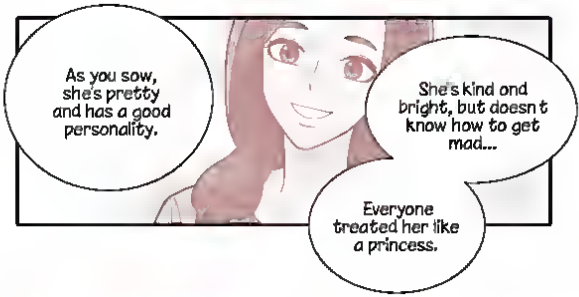
.....
You really don't need to...



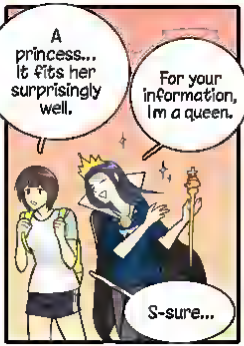
La-Min... is cute, right?



Yeah... Very.
To think that someone could be so cute and kind at the same time...
There was nobody who disliked her when she went to the academy.



As you sow, she's pretty and has a good personality.
She's kind ond bright, but doesn't know how to get mad...
Everyone treated her like a princess.



A princess... It fits her surprisingly well.
For your information, I'm a queen.
S-sure...

Honestly... I sympathize with Lime Moon.
Being twins with someone who was born perfect like that.

Makes sense... Anyone would like La-Min.
No, I don't like her.

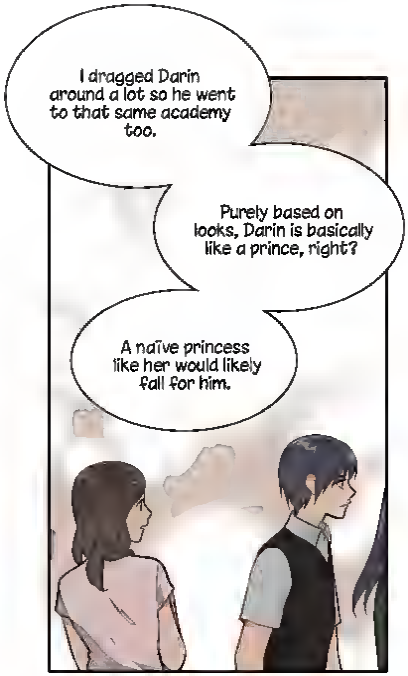
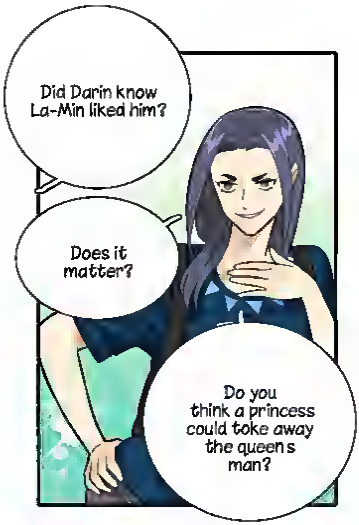
...Oh and this is just my intuition but
she liked Mandarin Kim.
!!
Just hearing his name makes me angry.



I dragged Darin around a lot so he went to that same academy too.
Purely based on looks, Darin is basically like a prince, right?
A naïve princess like her would likely fall for him.



Did Darin know La-Min liked him?
Does it matter?
Do you think a princess could take away the queen's man?

Also, La-Min's household is quite rich too. 준재벌*?
Even if it was just a high school relationship she can't go out with a commoner like Darin~

QC/N 재벌 are the best Korean family companies (ex Samsung/Gangsung, SK, Hyundai), 준재벌 is just a tier below them (ex. Doosan). It means that La Min's family is rich, but not as rich as Wally's.

Wrong.
It's not good to start thinking that money can do everything at such a young age...

It's better to not use money on someone who really dislikes you.

That way I can sort things out.
What do you mean, sort out?
Just do what I say.
Now, hurry up, tell me everything you remember from middle school or earlier.

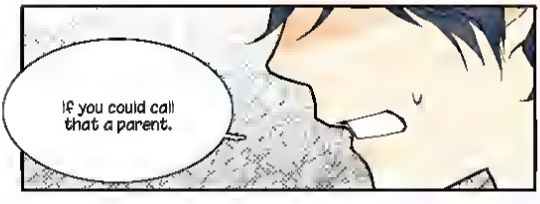
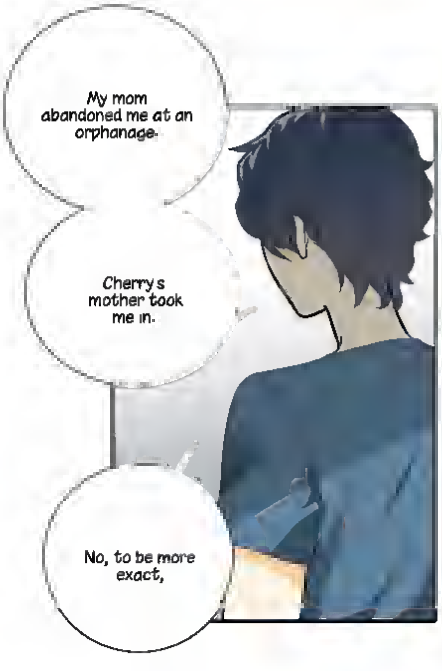
THIS IS A JOKE... RIGHT?
DOES THAT MEAN YOU TWO ARE SIBLINGS?!
No. But Cherry's parents are virtually my parents.

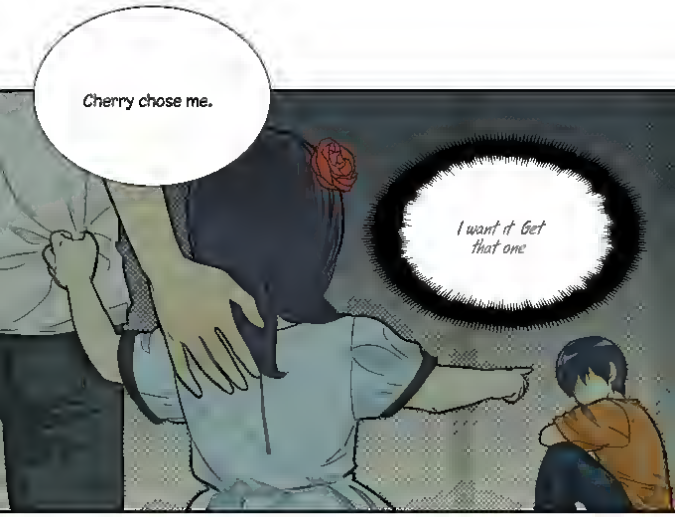
What...
What about your parents? You should have parents too.
I did.



If you could call that a parent.



My mom abandoned me at an orphanage.
Cherry's mother took me in.
No, to be more exact,



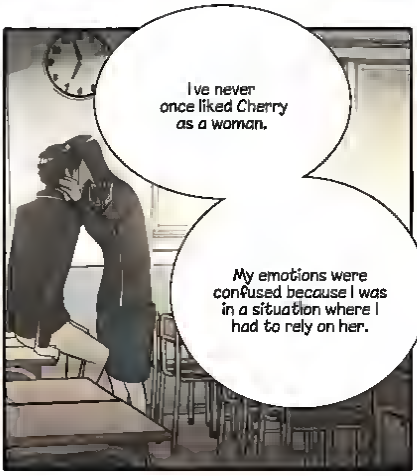
Cherry chose me.
I want it Get that one

My dad was Cherry's family s driver. I knew Cherry since I was young.
Cherry threw a tantrum and took me in since I kept on getting abandoned.
Stop it.

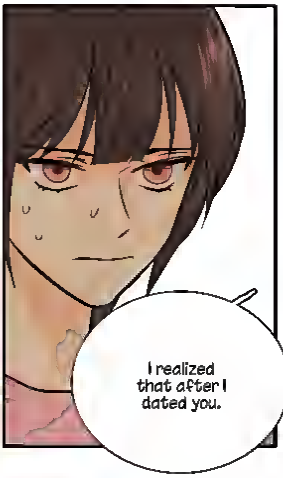
Why are you telling me this?
It has nothing to do with me.

Sorry...

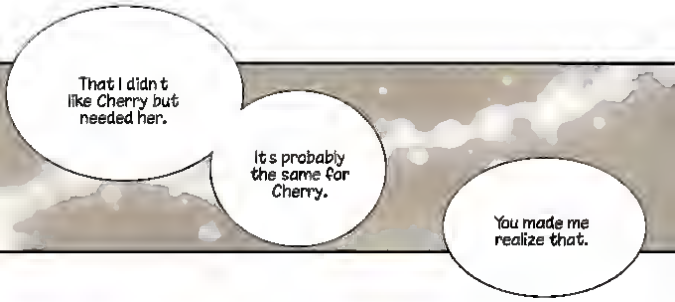
But I wanted to say it at least once.



I've never once liked Cherry as a woman.
My emotions were confused because I was in a situation where I had to rely on her.



I realized that after I dated you.



That I didn't like Cherry but needed her.
It's probably the same for Cherry.
You made me realize that.

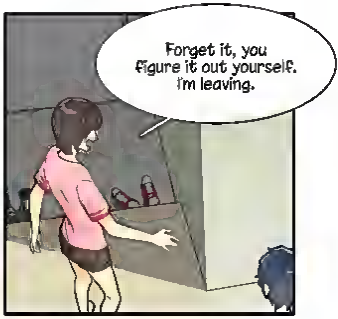
I didn't come here to listen to something like this.
I'm going.

I SINCERELY LIKED YOU!
LISTEN TO MY STORY PROPERLY AT LEAST ONCE!

I was too mentally reliant on Cherry back then.
I couldn't defy her. I just needed some time to sort it out. Do you know what I mean?

At this point, I'm sorry, but everything is over.
Pull

Why?
It's not over yet. I can't end this.



Forget it, you figure it out yourself. I'm leaving.
